For Outfitting We undertake to say that the business men of Brownville are as well prepared to serve those wishng supplies, with a superior quality and on as favrable terms as can be found elsewhere. Everything esirable can be purchased in Brownville, such as Provisions, Clothing, Mining Imple-

ments, &c., &c. The Route from Brownville to the Mines is uniersally admitted by those who have traveled it and others, to be superior in every respect. Brownville is about midway between St. Jo. and Omaha. As to distance, an examination of the map is all that is necessary to prove to any one that it is nearer from here to the mines than from any other point on the Missonri. On this route wood and water abound the entire distance, while on many others. wood has to be hauled for many days. The foregoing facts are fully and satisfactorily established by the immense travel of last year, and

those who adopt it the present senson will have no cause to regret having done so. Thurefore Cross the Missouri River at and start from Brownville.
