**ROCKY MOUNTAIN NEWS** 

THE NEWS will enter upon its second year early the coming spring, at which time it Will be enlarged to nearly double its present size, and correspondingly improved in many respects. It was the first and is at the present time the only newspaper permanently es-tablished in the Rocky Mountain Gold Region. Tran-sported to this country in the face of a dishestened reurning emigration, with a tide almost irresistable, it was set up beneath the petting of winter storms, in the midst of noisy mobs howling curses, and threats of venseance against every person and thing that yentured one couraging word for the country; at a time when the man was fortunate who knew one day from whence his meals for the next would come; it was successfully established, and has since continued in the even tenor of ts way, fearless and untrammeled. The News was the first to herald to the world the surrising richness of the

Rocky Mountain Gold Fields for which the abuve of the Bastorn press was beaped upon it without sting but time has satisfactorily proven nd verified its every statement and prediction, and the News stands to-day the most noted and universally quoted newspaper in the United States.

Already it has a circulation in every State of the mion, save four, and in both the Canadas. Arrangements are being perfected for special and regplar correspondence from all the important citles of the East, and the personal acquaictance of the proprietors throughout the mining resions, will ever source for it the latest, most complete and reliable reports from all arts of the gold fields.
