Republican Convention. The Republicans of Nemaha County are requested to meet in Mass Convention in Brownville, on Saturday, June 2d to ratify the Chicago nominations for President and Vice President, and to take such other action as shall be for the best interest of the party.

Masonic Celebration in Nebraska. The following we clip from the St. Joseph Gazette of the 17th: "The Grand Lodge of Nebraska, A. F. A. M., meets in Brownville, on the fifth of June, next, at which time the fraternity propose to have a celebration. Many of the brethren of the "mystic tie" in this city, we learn, will be present on the occasion. The Superintendent of the Hannibal and St. Joseph Packet Line will arrange for one of their elegant steamers to leave here on the morning of the 4th to accommodate all those who wish to attend. Prof. Cruft's Band has been engaged to discourse music on the occasion, and every arrangement made that can add to the pleasure and comfort of those in attendance. There will undoubtedly be a very large number present from all parts of Nebraska, and from Iowa and Missouri. A general invitation is extended to the fraternity, and we can assure all who embrace this opportunity of visiting Nebraska that they will have an agreeable time."

The American National Convention. Deserves great credit for the stand it has taken to preserve the Union by a Bell. So does our enterprising citizen, John Mans, for assuming toward the sick and feeble of the surrounding world the position of a "good Samaritan," ready, at any moment to heal the sick, strengthen the feeble and alleviate the suffering of all—by bringing on the most extensive, varied and reliable stock of Drugs and Medicines ever shipped to this upper country. Those desiring to see for themselves, or to share in the general benefit, accruing from the taking of his medicines in time, can find him at Holaday's new building, corner of Main and First sts. See advertisement in today's issue.

N. B. Cash gratitude received at par. Keep Cool!—Which you can easily do by stepping around to Mr. SAMUEL SOMERS' Saloon, on First Street between Main and Water, and partaking of his excellent Ice Cream. We are speaking the "sauce" when we say that it is all that could be desired. He intends keeping on hand, of the best kind, all that he has named in his advertisement, which see in another column.

To the Clerk of the Weather—Our thanks are due for that refreshing rain on Wednesday night; we can assure him that the favor was generally appreciated by animal and vegetable matter; and also that the favor would have been as much, if not more, thought of, did he not blow so much about it himself.

Sweet Potatoes.—Those wishing to raise Sweet Potatoes, will find an abundant supply of plants at the garden of R. W. FURNAS. The sooner they are transplanted the better. They require a long season to mature.

The Post Office—Has been removed to the new Drug Store of Mr. JOHN MAUX, who is our present Post-Master. Where letters, paper and pills, of the latest date, can always be found.

We—the Local—have been requested to inform "Brownville," that in his last he threw his mud at the wrong persons; and that the author of the articles, which seem to have affected his bile and humor, not having the fear of being daubed by handing a "sill" will hereafter take occasion to flatter him over the signature "Morus."
