Benevolent Institution established by special Endowment for the relief of the sick and distressed, offlicted with Virulent and Epedemic Disease. THE Howard Association, in view of the awful distrucsceptions practiced upon the unfortunate victims of such nesse by Quacks, several years ago directed their Consulting Surgeon, as a charitable of , worthy of their name, to open a dispensary for the treatment of this class of diseases, in all their forms, and to give Medical Advice Gratis to all who apply by letter, with a descrip tion of their condition (age, occupation, habits of live ac) and in case of extreme poverty, to furnish medicines ree of charge. It is needless to add that the Associaion commands the highest Medical skill of the age, and will furnish the most approved modern treatment. The Directors of the Association in their Annual Renual Report upon the treatment of Sexual Diseases, express the highest satisfaction with the success which has attended the labors of their Surgeons in the cure of Spernatorrhoea; Seminal Weakness; Gouorrhoea; Gleet; yphilis; the vice of Onanism or self-abuse, disease of the Kidneys and Bladder, &c., and order a continuance of the same plan for the ensuing year. GOLD MINES, The undersigned desire to say, and in so doing will not practice deception; that there are advantages to be secured in Crossing the Missouri river at Brownville, and outfitting at, and starting from that point, not to be found at any other place on the Missouri River. In the first place, on both sides of the river are large extents of bottom lands in which grass makes a much earlier start than on the uplands, and is much more abundant, being inexhaustible the entire season. Here, then, is a desicable place to recruit stock before starting on the Plains. Stock can also be purchased here on very favorable terms The Brownville Steam Ferry boat, being the best on the River, offers peculiar inducements for crossing at this point. It is large and commodious; with powerful machinery, which enables the proprietors to ferry emigrants and others in the most expedi-

The Route from Brownville to the Mines is universally admitted by those who have traveled it and is about midway between St. Jo. and Omaha. As to distance, an examination of the map is all that is necessary to prove to any one that it is nearer from here to the mines than from any other point THEODORE HILL on the Missouri. On this route wood and water abound the entire distance, while on many others. wood has to be hauled for many days.

The foregoing facts are fully and satisfactorily of ablished by the immense travel of last year, and those who adopt it the present season will have no

cause to regret having done so. Therefore Cross the Missouri River at and start from Brownville. JOHN CODDINGTON & CO., Proprietors Steam Ferry Boat. Lime! Lime!! Lime!!!
