Educational, Education—Physical and Prudential. The Springfield Republican says that in that city the "muscle movement" among the school-boys has lately taken a new turn.

Education—Physical and Prudential, This is exercise of the right kind and all the better for being out of doors. We will remember that in our boyhood days, running, jumping, wrestling, pitching quoits, "pulling stick," coasting, sliding on the ice, (skates not being as common then as now), snow-balling and other little active and vigorous amusements occupied the leisure of school-boys before and after school hours.
