STEAM FERRY BOAT
Brownville, La. Nebraska.
To those in the States contemplating going to the Nebraska and Kansas GOLD MINES.

The undersigned desire to say, and to do so, is not merely a duty, but a pleasure. The undersigned have been for some time engaged in the business of running a steam ferry boat across the Missouri river at Brownville, and outlying at, and starting from that point, and to be found at any other place on the Missouri river. In the first place, in both directions, the river is a large extent of bottom land, in which grows a large amount of alfalfa, and other crops, and is much more abundant than in any other place on the river. Here, then, is a desirable place to recruit stock before starting on the plains. Stock can also be purchased here on very favorable terms. The undersigned have a large stock of alfalfa, and other crops, and are prepared to sell them on very favorable terms. It is a pleasure to see the property on the river, and to see the property on the river, and to see the property on the river.

For Drafting We are now engaged in drafting men of Brownville are well prepared to serve those wishing supplies, with a superior quality and on as favorable terms as can be obtained elsewhere. The undersigned have a large stock of alfalfa, and other crops, and are prepared to sell them on very favorable terms. It is a pleasure to see the property on the river, and to see the property on the river, and to see the property on the river.
