

unified of Oaygen and Carbon by combustion in Hydro- to be scenared in oth in Europe and the United States, and prescribed

In Debility, Nervous Affections, Emaciation, Dyspepsia, Constipation, Scrofulus Tuberculosis, plaints, Rheumatism, Chronic tions manner, Headaches, Intermittent Fevers, Pimples on the Face, &c.

In cases of GENERAL DESILITY, whether the result of acute disease, or of continued diminution of nervous and muscular energy from curous complaints, one tris of this restorative has proved, summersful to an extent which no de cription nor written antestation would render creditie. Invalids so long bed-ridden as to have become forgotten in their own neighborhools, have and denly re-appeared in the busy world as if just reinrock from pretracted travel in a distant land. Some very signal instances of this kind are attested of remale sufferers, emacuted victims of apparent marasmus, senguineous exhaustion, critical changes, and that com-

plication of nervous and dyapeptic aversion to air and exercise for which the physician has no name. in NERVOUS APPECTIONS of all kinds, and for reasons familiar to modical men, the operation of this from here to the mines than from any other point preparation of iron must necessarily be saintary for- on the Missouri. On this route wood and water unlike the old oxides, it is vigorously tonic, without being exciting and overheating; and gently, regularly aperient, even in the most obstituate cases of conflveness without ever being a gastric purgative, or indicting a

specific action, by dispersing the local tendency which In DVSPEPSIA Innumerable as are its causes, a single box of these Chaltheate Pills has often sufficed for the

most habitual cases, incintion the attendant Costivener. in sucherked DrARRHEA, even when advanced to DISENTARY, confirmed, emacisting, and apparently malignint, the effects have been equally decisive ann

allayed the slarm of friends and physicians, in several wery gratifying and interesting instances. In SCHOPULOUS TUBERCULOSIS this melicited aron has had far more than the goods effects of the most cantionsly balanced preparations of lodine, without any of their well known liabilities.
The attention of females cannot be too confidently in-

wited to this remedy and restorative, in the cases pecu-In RUCCMATISM, both chronic and inflammatory-in the latter, however, more decidedly-it has been invaribly well reported, both as alleviating pain and reducing the swellings and stiffness of the joints and muscles. In INTERMITTENT FEVERS it must becessarily be a great remedy and energeth; restorallye, and its pr grees in the new settlements of the West, will probably be one of high renown and uspfulnes No remedy has ever been discovered in the whole his tory of medicine, which exerts such prompt, happy, and fully restorative effects Good appetite complete dires-

tion, rapid acquisition of atremeth, with an unusual disposition for active and cheerful exercise. Put up in firt metal boxes containing 50 pills, price 50 cants per box; for sale by dramists and dealers. Will be sent free to any address on receipt of the price. All letters, orders, etc., should be addressed to R. B. LOCKE & CO., GEN. AGENTS. 20 Cotar st., N. T.

Flowers, Fruits, &c.

JOHN A. KENNICOTT, at the Grove Narsery, West Northfield, Ill., has rendy for delivery : Bulbs, especially Tulips, at the low rate of \$2,50 per 100, and \$20 per thousand for large roots. Strawberries, of all the most approved varieties, from 2 to 4 dollars a thousand for most, a few sorts liks Wilson's Albany, higher Evergreens 20 to 40 cents per foot, according to variety and form-ave-

Fruit Trees in good variety. Apple at from 8 to 15 dollars per 100 and the smaller the cheaper and IT TELL YOU The meaning of Law terms in general better for distant customers. Small Fruits -- Currants, Houghton Gooseberry, Baspherries, Blackberries, &c., much lower than ever

Ornamental Trees, Roses and other Hardy Shrubbory, in great variety and abundance; and 10,000 small to large plants of Upright Honeysuckles, Lil-aci, Spireas, Deutzia Scabra, Prim, &c., at from 1 to. 10 per hundred. And the beautiful Diebytra Spec abelis and other choice perennials at from 1 50 to 2 per dosen, and common things-all desirable- at about ball price.

Catalogues by mail on application; and ever ything safel's packed for distant transportation; and as a rule most things sold at about ten per cent. I ess in autumn than spring.

LOOK TO YOUR INTERESTS! STEAM FERRY BOAT

Brownville, restacka.

To those in the States contemplating going to the Nobraska and Kansas GOLD MINES

The undersigned derire to say, and in so doing will not practice deception; that there are advantages ea. Smeltoned by the birhest Medical Authorities. Crossing the Missouri river at Brownville, and outfitting at, and starting from that point, not The experience of thousands daily proves that no to be found at any other place on the Missouri Kipreparation of fron can be compared with it. Impuri-ties or the blood, depression of vital energy, pute not are large extents of bottom lands in which grass otherwise sixtly complexion indicate its necessity in makes a much carlier start than on the uplands, and Inductions in all maladies in which it has been tried, but proved absolutely curative in each of the following entire season. Here, then, is a desirable place to can also be purchased here on very favorable terms The Brownville Steam Ferry boat, being the best on the River, offers peculiar inducements for crossing at this point. It is large and commodious; with Whites, Chlorosis, Liver Com- to ferry emigrants and others in the most expedi-

For Outfitting Brownville are as well propared to serve those wishing supplies, with a superior quality and on as faxorable terms as can be found elsewhere. Everything desirable can be purchased in Brownville, such as Provisions, Clothing, Mining Imple-

ments, &c., &c. The Route from Brownville to the Mines is unirersally admitted by those who have traveled it and others, to be superior in every respect. Brownville is about midway between St. Jo. and Omaha. As to distance, an examination of the map is all that is necessary to prove to pay one that it is nearer abound the entire distance, while on many others. wood has to be hanled for many days.

The foregoing facts are fully and satisfactorily extablished by the immense travel of last year, and it is this latter property, among others, which makes it so remarkably effectual and perwatent a remoty for Piles, upon which it also appears to exert a distinct and Cross the Missouri River at and start from Brownville.
