DR. MOTT'S CHALYBEATE RESTORATIVE PILLS OF IRON.

AN aperient and Stomachic preparation of IRON purified of Oxygen and Carbon by combustion in Hydrogen. Sanctioned by the highest Medical Authorities, both in Europe and the United States, and prescribed in their practice.

The experience of thousands daily proves that no preparation of iron can be compared with it. Impurities of the blood, depression of vital energy, pale and otherwise sickly complexion indicate its necessity in almost every conceivable case.

Innoxious in all maladies in which it has been tried, has proved absolutely curative in each of the following complaints, viz:

In Debility, Nervous Affections, Emaciation, Dyspepsia, Constipation, Scrofulus Tuberculosis, Salt Rheum, Mismenstruation, Whites, Chlorosis, Liver Complaints, Rheumatism, Chronic Headaches, Intermittent Fevers, Pimples on the Face, &c.

In cases of GENERAL DEBILITY, whether the result of acute disease, or of continued diminution of nervous and muscular energy from chronic complaints, one trial of this restorative has proved successful to an extent which no description nor written attestation would render credible. Invalids so long bed-ridden as to have become forgotten in their own neighborhoods, have suddenly re-appeared in the busy world as if just returned from protracted travel in a distant land. Some very signal instances of this kind are attested of female sufferers, emaciated victims of apparent marasmus, sanguineous exhaustion, critical changes, and that complication of nervous and dyspeptic aversion to air and exercise for which the physician has no name.

In NERVOUS AFFECTIONS of all kinds, and for reasons familiar to medical men, the operation of this preparation of iron must necessarily be salutary, forunlike the old oxides, it is vigorously tonic, without being exciting and overheating; and gently, regularly aperient, even in the most obstinate cases of costiveness without ever being a gastric purgative, or inflicting a disagreeable sensation.

It is this latter property, among others, which makes it so remarkably effectual and permanent a remedy for *Piles*, upon which it also appears to exert a distinct and specific action, by dispersing the local tendency which forms them.

In DYSPEPSIA, innumerable as are its causes, a single box of these Chalybeate Pills has often sufficed for the most habitual cases, including the attendant *Costiveness*.

In unchecked DIARRHŒA, even when advanced to DYSENTARY, confirmed, emaciating, and apparently malignant, the effects have been equally decisive and astonishing.

In the local pains, loss of flesh and strength, debilitating cough, and remittent hectic, which generally indicate INCIPIENT CONSUMPTION, this remedy has allayed the alarm of friends and physicians, in several very gratifying and interesting instances.

In SCROFULOUS TUBERCULOSIS, this medicated Iron has had far more than the goods effects of the most cautiously balanced preparations of Iodine, without any of their well known liabilities.

The attention of females cannot be too confidently invited to this *remedy* and *restorative*, in the cases peculiarly affecting them.

In RHEUMATISM, both chronic and inflammatory—in the latter, however, more decidedly—it has been invariably well reported, both as alleviating pain and reducing the swellings and stiffness of the joints and muscles.

In INTERMITTENT FEVERS it must necessarily be a great remedy and energetic restorative, and its progress in the new settlements of the West, will probably be one of high renown and usefulness.

No remedy has ever been discovered in the whole history of medicine, which exerts such prompt, happy, and fully restorative effects Good appetite complete digestion, rapid acquisition of strength, with an unusual disposition for active and cheerful exercise.

Put up in flat metal boxes containing 60 pills, price 50 cents per box; for sale by druggists and dealers. Will be sent *free* to any address on receipt of the price. All letters, orders, etc., should be addressed to

STEAM FERRY BOAT

AT

Brownville, Nebraska.

To those in the States contemplating going to the Nebraska and Kansas

GOLD MINES,

The undersigned desire to say, and in so doing will not practice deception, that there are advantages to be secured in

Crossing the Missouri river at Brownville, and outfitting at, and starting from that point, not to be found at any other place on the Missouri River. In the first place, on both sides of the river are large extents of bottom lands in which grass makes a much earlier start than on the uplands, and is much more abundant, being inexhaustible the entire season. Here, then, is a desirable place to recruit stock before starting on the Plains. Stock can also be purchased here on very favorable terms.

The Brownville Steam Ferry boat, being the best on the River, offers peculiar inducements for crossing at this point. It is large and commodious; with powerful machinery, which enables the proprietors to ferry emigrants and others in the most expeditious manner.

For Outfitting

We undertake to say that the business men of Brownville are as well prepared to serve those wishing supplies, with a superior quality and on as favorable termeas can be found elsewhere. Everything desirable can be purchased in Brownville, such as

Provisions, Clothing, Mining Implements, &c., &c.

The Route from Brownville to the Mines is universally admitted by those who have traveled it and others, to be superior in every respect. Brownville is about midway between St. Jo. and Omaha. As to distance, an examination of the map is all that is necessary to prove to any one that it is nearer from here to the mines than from any other point on the Missouri. On this route wood and water abound the entire distance, while on many others wood has to be hauled for many days.

The foregoing facts are fully and satisfactorily established by the immense travel of last year, and those who adopt it the present season will have no cause to regret having done so. Therefore

Cross the Missouri River at and start from Brownville.

McFat's Life Pills AND *PHŒNIX BITTERS.*

These medicines have now been before the public for a period of thirty years, and during that time have maintained a high character in almost every part of the Globe, for their extraordinary and immediate, power in restoring perfect health to persons suffering under many of every kind of disease to which the human frame is liable.

The following are some of the distressing varieties of human disease in which the

VEGETABLE LIFE MEDICINES

Are well known to be infallible.

Dyspepsia, by thoroughly cleansing the first and second stomachs, and creating a flow of pure healthy bile instead of the stale acrid kind, *Flatulency*, Loss of Appetite, Heartburn, Headache, Restlessness, Ill-temper, Anxiety, Languor, and Melancholy, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure.

Costive mess, by cleansing the whole length of the intestines with a solvent process, and without violence all violent purges leave the bowels costive within two days.

Fevers, of all kinds, by restoring the blood to a regular circulation, through the process of perspiration in such cases, and the thorough solution of all intestinal obstruction in others.

The Life Medicines have been known to cure Rheumatism permanently in three weeks, and *Gout* in less that time by removing local inflammation from the muscles and ligaments from the joints

Dropsies Of all kinds, by freeing and strengthening the kidneys and bladder; they operate most delightfully on those important organs, and hence have ever been found a certain remedy for the worst cases of Gout.

Also Worms, by disloding from the turnings of the bowels the slimy matter to which these creatures adhere.

Scurvy, Ulcers and *Inveterate Sores*, by the perfect purity which these Life Medicines give to the blood, and all the humors.

Scorbutic Eruptions and bad complexions, by their alterative effects upon the fluids that feed the skin, or the morbid state of which occasions all eruptive complaints, sallow, cloudy, and other disagreeable complexions.

The use of these pills for a very short time, will effect an entire cure of Salt Rheum and a striking improvement in the clearness of the skin. Common Colds and Influenza will always be cured by one dose, or by two in the worst cases.

PILES—The original proprietor of these medicines was cured of piles of thirty-five years standing, by the use of the Life Medicines alone.
