LOOK TO YOUR INTERESTS! STEAM FERRY BOAT Brownville, Nebrasha.

To thosein the States contemplating going to the Nebraska and Konsas GOLD MINES,

The undersigned desire toray, and on sudoing will not practice deseption; that there are advantages Crossing the Missouri river at Brownville, and outfitting at, and starting from that point, not to be found at any other place on the Missouri River. In the first place, on both sides of the river are large extents of bottom lands in which grass makes a much earlierstart than on the uplands, and is much more abandant, being inexhaustible the entire season. Here, then, is a desirable place to recruit stock beforeatsriing on the Plains. Stock can also be purchased here on very favorable terms The Brownville Steam Ferry boat, being the best on the River, offers peculiar inducements for crossing at this point. It is large and commodious; with powerful machinery, which enables the proprietors to ferry emigrants and others in the most expedi-

For Outfitting We undertake to say that the ousiness men of Brownville areas well propared to serve those wishing supplies, with a superior quality and on as fav-orable terms as can be found olsewhere. Everything desirable can be purchased in Brownville, such as Provisions, Clothing, Mining Imple-

ments, &c., &c The Route from Brownville to the Mines is uniersally admitted by those who have traveled it and thers, to be superior in every respect. Brownville is about midway between St. Jo. and Omaha. As to distance, an examination of the map is all that is necessary to prove to any one that it is nearer from here to the mines than from any other point on the Missouri. On this route wood and water The coming season, a large and well selected stock abound the entire distance, while on many others. wood hasto be hauled for many days. The foregoing facts are fully and satisfactorily established by the immense travel of last year, and
