

OUR FLAG. Up, up with that banner! where'er it may call, Our million shall rally around it...

Shall Party Lines be Drawn?

For one, and to speak our individual convictions, we answer no! We can see no good to come from such a course...

We have conversed with quite a number of leading men from various portions of our country, and we believe the general opinion is adverse to the drawing of party lines this fall.

In the selection of men to fill offices of honor, trust or profit, from fence-viewer to the Legislature, we insist upon the people, as they value their best interests...

The better way, we think, to get at a harmonious action is to call a convention of all who are in favor of the unconditionally preservation of the Union...

The Direct Tax Bill.

The bill in Congress providing for a direct tax to sustain the war for the preservation of the Union, distributes the \$30,000,000 to be raised annually, as follows:

Table with 3 columns: State, Population, Tax Amount. Lists states from Maine to Tennessee with their respective populations and tax amounts.

By reference to the above it will be seen that the tax on Nebraska will be, in round numbers, \$29,000. In view of this large sum of money, and the importance of its being promptly raised...

Not only do we think that this should be done, but we think that the Legislature should suspend the courts for the time being except in criminal matters...

Black List. The following Republican papers of the Territory sanction the Fraud perpetrated upon the people of Nebraska, by Gov. Black, in which S. G. DAILY was participes criminis...

call into requisition all our patriotism ingenuity and resources. There is no mistake about it, and we may as well look the matter square in the face...

Twenty-nine thousand dollars to be raised annually by the people of Nebraska; her people, possessed as they generally are, of very limited means...

No Quarters.

Gen. Pillow commanding the rebel forces from Tennessee, Kentucky and Mississippi now in the southern part of Missouri, to aid Jackson and Price in murdering and running Union men out of that State...

WE WILL HELP TO EXPEL FROM YOUR BORDERS THE POPULATION HOSTILE TO YOUR RIGHTS AND INSTITUTIONS.

This is the bold position now taken by the traitors who are in arms to overthrow a republican form of government and substitute in its place a monarchy or military despotism!

Nebraska Regiment.

We noticed last week that five companies of the Nebraska Regiment had gone down the River on the Steamer West Wind. Their destination was not known at the time...

Frank Admisson.

The News in reply to our suggestion that he give some account of the missing arms in this Territory, and stir up the officials for allowing them to be stolen says:

That's very frank on your part, Bro. Reynolds; and according to the same system of reasoning, we suppose, to maintain your "reputation for consistency" you would not "pitch into" a murderer because you might have once spoken of him in "complimentary terms."

Wolves in Sheep's Clothing.

Scarcely a disunionist could be found in Atchison County on Friday and Saturday last. All claimed to be Union men—some carried Union flags on the drill ground...

The Ring of the True Metal.

The Union men of Holt county, Mo. held a large and enthusiastic meeting at Oregon on the 19th, ult., at which the following, among other strong resolutions were adopted:

Resolved, That we, the Union men of Holt Co., mutually agree and pledge ourselves to a firm adherence to the Constitution of the United States and the State of Missouri, and are determined come what may to bear true allegiance to the Government of the United States.

Resolved, That we will resist to the death any attempt to abrogate our allegiance to the Government of our choice or to force us into a confederacy which we regard as dangerous to our liberties.

Resolved, That we endorse the course of the General Government, in stationing troops in Missouri for the protection of the persons and property of all loyal citizens.

Resolved, That we condemn the action of C. F. Jackson, late Governor of the State in levying war against the Government of the United States by issuing a proclamation for fifty thousand troops to repel what he is pleased to call an invasion of Missouri, by the United States troops.

Brigadier General Coe.

On Thursday last an election was held in this city for the selection of a Brigadier General, in the place of General Downs, who has now gone into the regular service as Lieut. Col. Quite a spirited time was witnessed...

In this connection we with pleasure say, had our brother of the quill, Colonel Furnas, been selected, the position would have been more honored than the Col. Foremost in every good word and work, enterprising and industrious, Col. Furnas possesses many qualities recognized in his more successful competitor, Brig. Gen. Coe.—Nebraska City News.

Military Affairs in Atchison County, Missouri.

On Friday and Saturday last the Union men of Atchison county, Mo., held a two days encampment and drill at Nishnabotana bridge, about half way between this place and Rockport.

The Weather and Corn Crop.

For near a month past we have had no rain in this section of Nebraska, and during that time the weather has been not only very warm, but excessively hot.

Some of the time the thermometer stood at 109 in the shade. Vegetation in many instances has been literally burned up. We picked tomatoes from vines in our own garden as perfectly cooked as though they had been in boiling water.

Missouri Union Officials.

The Missouri State Convention now in session has declared vacant the offices of Governor, Lieut. Governor and Secretary of State, and elected as Governor Hon. Hamilton R. Gamble of St. Louis, Lieut. Gov. Willard P. Hall of St. Joseph and Mordecai Oliver Secretary of State.
