Grapes.—We are reminded, by having placed upon our table by G. W. BRATTON, Esq., of this place a supply of Issabella grapes, of the experiments in that line in this region, From the experience and observation of the three years past, we have no hesitation in declaring our opinion as to the adaptability of our soil and climate to grape culture. Thus far, so far as our knowledge extends the grape is a perfect success. A large number of varieties, some of which are most excellent, grow spontaneous, and yield most abundantly. The cultivated or tame variety, Catawba, Isabella, Diana, Concord, Oporto, Delaware have given entire satisfaction. In our own garden we have met with abundant success. The past year we had Oporto and Diana, procured from New York, fruit the first year's planting, ripening on the 20th of August. The Isabella ripened from the 20th of August to 1st September. The bunches are compact, good size and highly flavored.

MR. EDITOR—*Sir:* You will oblige me by communicating to the public the following extract from instructions just received by me from the Post-Office Department:

Post-Master, Nemaha City:

You will receive herewith a supply of Stamps which you will observe are of a new style differing both in design and color of stamps from those hitherto used, you will immediately give notice through the newspapers and otherwise that you are prepared to exchange stamps of the new style for an equivalent, amount of the old issue during a period of six days from the date of the notice. And that the latter will not be received in payment of Postage on letters sent from your office.

The period of six days commences on Friday the 6th day of September 1861 and terminates on Thursday next, The new stamps are ready for delivery.

Respectfully Yours,
LEVI JOHNSON,
P. M., at Nemaha City.

Phœnix Insurance Company.—In our advertising columns will be found the advertisement of the Phœnix Fire Insurance company Hartford, Conn. It is one of the oldest and most reliable companies in the country. During the past year it will be seen the company has promptly paid losses in Nebraska to the amount of $1,167 00.

City Drug Store.—JOHN MAUK, Esq one of the oldest and most experienced Druggists in the country, is back again in the City Drug Store. We see John has "slicked things up," and seems to be busily engaged. We *suppose* that establishment is prepared to deal out "Drugs, medicines, paints, oils, dye stuffs," etc., etc. We are not *authorized* however to say so.

Temperance.—The Brownville Temperance Society meets this evening at the Presbyterian church. The public are invited to attend.

"Bob Furnas, by his foolish bravado, and overlooking ambition to become a Brigadier General, came very near getting up a row with some Missourians, across the river. The bloodless war has however ended, almost before it began, and as a consequense, we suppose Furnas will have to be made Brigadier General. Bob sent for the cannon at this city, but it did not go. The citizens of this city have no quarrel to pick with Missouri. They will, however, at all times, and under all circumstances, defend themselves if attacked, from any quarter whatever."

We have heard of another military accompanyment that "*didn't go,*" on a certain occasion. We refer to the tour of a certain newspaper reporter, who accompanied a portion of the Nebraska regiment *part of the way* on the Independence expedition! If madam rumor be correct in this respect, we are not surprised that the writer of the above has "no quarrel to pick with Missouri" "*or any other man!*" and, in addition, very much doubt *his* readiness or willingness to defend himself or city "under all circumstances" "if attacked from any quarter." Suppose RUST of the *Nebraskian* occupies the stand for a few moments and

"Tell us all about the war,
And what they *fit* each other for.

And also whether it *is* true that any one on that occasion was affected with the *Price disease.*

We rather guess your 'citizens,' 'Gus' are pretty nearly 'all right on the goose' and would do as you say—with the exception of those said to be "*in favor of hanging people for going to Missouri to fight for the Union*"—but don't—*dont* ask to be included in that list.

Captain Blacker, of the Nebraska Regiment, passed here on the Steamer "Sun Shine" last week, going to Omaha, on business connected with the Cavalry Companies now being raised in this Territory. He informed us that the Nebraska Regiment is in good order, and fine spirits, having all their equipments and their pay.

Resigned.—Mr. TIPTON, Councilman from this distrtct, has sent his resignation to the Governor. His reason for so doing of course is understood to be the fact of his holding the position of Chaplain of 1st Nebraska Regiment.

Camp Meeting.—A camp meeting, under the superintendence of the Methodist church, is in progress, and has been since Friday last, in the Grove on A. J. Richardson farm, between Brownville and Peru. We understand a refreshing time is being enjoyed. The attendance has been large indeed. We trust that the fruits of the efforts, may be like "bread cast upon the waters."

The St. Joseph *Gazette* a rebel paper of the deepest dye, has again suspended. Says it is afraid of Gen. Fremont; after reading the General's last proclamation it concluded "discretion the better part of value."

Sprinkle's Mill, is now in active operation, and prepared to accomodate the farmers, Come on with your grain.

Mr. S. has gone to work to immediately put in another run of stone, which he will have in operation very shortly.

J. J. Thurman, of the Elk Horn Drug Store. is erecting a very neat residence on First Street between Atlantic and Missouri Streets.

A couple of neat little cottages we notice are going up on Front Street near Sprinkle's Mill.

Served 'Em Right.—Phil. Riley, who used to figure around Nebraska City and Tecumseh, and E. E. Mason, one of Buchanan's Nebraska officials, connected with the Surveyor General's office at Nebraska City, both turned rebels to their country, and were at the Bull's Run fight The latter was killed and the former wounded.

Dance To-Night.—Den having completed the upper story of his new building tenders it to the young folks in which to "shake the foot." To-night (Thursday) therefore all hands agree to pitch-in.

"Here Sall, hold my tater,
While I trot with this feller."

Just as we go to press we have a report that Gen. Butler has met the enemy and achieved a triumphant victory When or where, we are not able to learn.

Sergt. Ed. SMITH, of Company "C," 1st Neb. Reg., was in this City this week on business connected with the Regiment.

St. Louis Democrat.—We advise all who want a good Union paper, furnishing the fullest, latest and most reliable news, to send for the St. Louis Democrat. Its War Correspondents are of the most reliable class, and they are scattered too, all over the country.

TERMS—Daily $8 a year; Tri-weekly $4; Weekly $1. Address, M'Kee & Fishback, St. Lonis, Mo.

EDWARDS is taking the finest style Pictures, and at rates lower than in eastern cities. Now is the time to "secure the shadow ere the substamce fades.

Wheat Cutting in Nemaha Co.—The machine of PHILIPS & HIGGINS cut 128 acres wheat, 11 oats.

Machine of T J. METCALFE, cut 160 acres wheat, 18 acres oats;

Machine of ISRAEL CUMMINS, cut 212 acres wheat.

Shipment of Hemp.—THEO. HILL shipped 40 bales of Hemp on the West-Wind on Wednesday. Hope every fibre of it will be used to make "patent neck ties" for traitors.
