sook necount, or by note, are hereby notified to

A compound remedy, designed to be the most effectual Alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still tive antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from

Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellowcitizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints: -SCHOPULA AND SCHOPULOUS COMPLAINTS, ERUPTIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM,

SCALD HEAD, SYPHILIS AND SYPHILITIC AF-PECTIONS, MERCURIAL DISEASE, DROPSY, NEU-RALGIA OR TIC DOULOUREUX, DEBILITY, DYS-PEPSIA AND INDIGESTION, ERYSTPELAS, ROSE on Sr. Astnown's Fine, and indeed the whole class of complaints arising from Impunity of This compound will be found a great pro-motor of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timeare nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of entruptions, if not assisted to do

this through the natural channels of the body by an abstrative medicine. Cleane out the vifiated blood whenever you flud invimporities bursting through the skin in pinnels, eruptions, r sores; cleanse it when you find it is obstructed and aluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pubulum of life disordered, there can be no lasting health. Somer or later something must go wrong, and the great machinery of Sarsaparilla has, and deserves much, the

putation of accomplishing these ends. But he world has been egregiously deceived by reparations of it, partly because the drug done has not all the virtue that is claimed for it, but more because many preparations, pretending to be consentrated extracts of it, contain but little of the virtue of Seresparilla,

During late years the public have been mis-led by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilly which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still isinity that he has removed his Drug Store from we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for
