Cottontails, Jaundice, Dyspepsia, Indigestion, Diphtheria, Pox, Scald Head, Syphilis and Syphilitic Affections, Mercurial Disease, Dropsy, Nephritis and Indigestion, Erysipelas, Rose on St. Anthony's Fire, and indeed the whole class of diseases arising from IMPURITY OF THE BLOOD.
This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the system during the season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcersous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alternative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it itchy, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this salutary habit of life discontinued, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overturned.
Sarsaparilla has, and deserves much, the reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or any thing else.
During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties at all. Hence, bitter and painful disappointments have followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and deceit. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And this we have ground for saying, when we see the virtuous and reasonable by the ordinary run of the disease it is intended to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on the bottle.

Ayer's Sarsaparilla

A compound remedy, designed to be the most effectual Alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the disease Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:—
SCROFULA AND SCROFULOUS COMPLAINTS,
EMPHYSIEMA AND EMPHYSEMA, ULCERS,
FURUNCLES, BLOWNS, CARBUNCLES, SALT RHEUM,
SCALD HEAD, SYPHILIS AND SYPHILITIC AFFECTIONS,
MERCURIAL DISEASE, DROPSY, NEPHRITIS AND INDIGESTION, ERYSIPELAS, ROSE ON ST. ANTHONY'S FIRE, and indeed the whole class of diseases arising from IMPURITY OF THE BLOOD.
This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the system during the season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. TO THE PEOPLE OF THE UNITED STATES

In the month of December, 1858, the undersigned for the first time offered for sale to the public **DR. J. DODD'S IMPERIAL WINE BITTERS**, and in their short period they have given such universal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodily and mental misery arising simply from a defect of small quantities of this wine is incalculable, and it is there fore of the utmost importance that a strict attention to the least and most trifling bodily ailments should be had for disease of the body must invariably affect the mind. The subscribers now only ask a trial of
DR. J. DODD'S IMPERIAL WINE BITTERS

Imperial Wine Bitters
from all who have not used them. We challenge the world to produce their equal.
These Bitters for the cure of Weak Stomachs, General Debility, and for Purifying and Enriching the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The wine is of a very superior quality being about one-third stronger than ordinary wine, and containing the whole system from the head to the feet. As these Bitters are tonic and invigorating, they will give a fine tone and healthy action to all its parts, by equalizing the circulation, removing the obstructions and producing a general warmth. They are excellent for diseases and weakness peculiar to Females, where a tonic is required to enervate and brace the system. No lady who is subject to lassitude and faintness, should be without them, as they are revivifying in their action.

WINE BITTERS
Will not only cure but Prevent Disease.
and in this respect are doubly valuable to the person who may use them for
INSIPID CONSUMPTION
Weak Lungs, indigestion, Dyspepsia, disease of the Nervous system, Paralysis, Piles, and for all cases requiring a Tonic.

DR. DODD'S Celebrated Wine Bitters
Are Unsurpassed.
Frequently common among the Clergy they are truly valuable.
For the aged and infirm, and for persons of weak constitutions. For ministers of the gospel, lawyers and all public speakers—for bookkeepers, and all persons leading a sedentary life, they will prove beneficial. As a temperance they are wholly innocuous, and delicious to the taste. They produce all the exhilarating effects of brandy without intoxicating, and are a safe and healthy remedy for persons addicted to the use of excessive strong drink, and who wish to refrain from it. They are pure and simple, and contain no poisonous or deleterious ingredients, and are perfectly adapted to the constitution of the human body.

These Bitters not only CURE but prevent disease, and should be used by all who live in a country where the winter is bad, or where chills and fever are prevalent. Being entirely innocuous and harmless, they are perfectly safe for children and infants with inquiry, Physicians and Clergymen, and temperance advocates as well as laymen, should be acquainted with their valuable Bitters for the land, and thereby essentially benefit the human race.

In all affections of the Head, Sick Headache, or Nervous Affection, Dr. Dodd's Imperial Wine Bitters will be found to be most Satisfactory and Efficacious.

FEMALES.
The many "civilities" which have been tendered us and the letters which we daily receive, are conclusive proof that among the women these Bitters have given a satisfaction which no others have ever done before. No woman in the land should be without them, and those who use them, will not fail to keep a full supply.

DR. J. BOVÉE DODD'S IMPERIAL WINE BITTERS,
Are prepared by an eminent and skillful physician, who has used them successfully in his practice for the last twenty-five years. The proprietor therefore purchases the exclusive right to manufacture and sell Dr. J. B. DODD'S Celebrated Imperial Wine Bitters, had hitherto sold by two distinguished medical practitioners, who pronounced them a valuable and safe remedy for disease. He has also secured the right to sell them, as a general thing, to all respectable Physicians, yet we do not believe that a respectable Physician can be found in the United States who is acquainted with their medicinal properties, who will not highly approve of Dr. DODD'S IMPERIAL WINE BITTERS.

In all newly settled places, where there is always a large quantity of decaying timber; from which a poisonous miasma is created, these Bitters should be used every morning before breakfast.

DR. J. BOVÉE DODD'S IMPERIAL WINE BITTERS
Are composed of a pure and unadulterated wine, combined with Barkberry, Solomon's Seal, Cornbury, Wild Cherry Bark, Spiknard (Camomile Flowers, and Gentian. They are manufactured by Dr. J. B. DODD, himself, who is an experienced and successful physician, and hence should not be classed among the quack nostrums which flood the country, and against which the medical profession so justly protests.

These truly valuable Bitters have been so thoroughly tested by the community, for almost every variety of disease incident to human system, that they are now deemed indispensable as a

GREAT IMPROVEMENTS IN SEWING MACHINES.

EMPIRE SHUTTLE MACHINE.
Patented February 14th, 1860
Salesroom, 510 Broadway, NEW YORK.

This Machine constructed on an entirely new principle of machinery, possessing many rare and valuable improvements, having been examined by the most profound experts, and pronounced to be SIMPLICITY AND PERFECTION COMBINED.

The following are the principal objections urged against Sewing Machines:
1.—Economic failure to the operator.
2.—Incapacity to get out of order.
3.—Expense, trouble and loss of time in repairing.
4.—Incapacity to sew every description of material.
5.—Disagreeable noise while in operation.

The Empire Sewing Machine is Exempt from all these objections.
It has a straight needle perpendicular action, makes the LOCK or SHUTTLE STITCH, which will NEITHER RIP nor RAYEL, and is alike on both sides; performs perfect sewing on every description of material, from leather to the finest Nankeen Mullin, with cotton, linen or silk thread, from the coarsest to the finest number.

Having neither CAM nor COG WHEEL, and the friction being entirely frictionless, it runs as smoothly as glass, and is
Emphatically a Noiseless Machine!
It requires twenty-five per cent. less power to drive it than any other Machine in market. A girl of twelve years of age can work it steadily, without fatigue or injury to health.

Its strength and WONDERFUL SIMPLICITY of construction render it almost impossible to get it out of order, and is GUARANTEED by the company to give entire satisfaction.
We respectfully invite all those who may desire to supply themselves with a superior article, to call and examine this UNRIVALED MACHINE.

But in a more special manner do we solicit the patronage of
Merchant Tailors, Dress Makers, Cash Makers, Corset Makers, Hosiery Manufacturers, Shirt and Bosom Makers, Vest and Pantalon Makers, &c., &c., &c.

Price of Machines, Complete:
No. 1, or Family Machine, \$45.00; No. 2, Small Manufacturing, \$50.00; No. 3, Large sized Manufacturing, \$75.00.
Cabinets in Every Variety.

We want Agents for all towns in the United States, where agencies are not already established, to whom a liberal discount will be given, but we make no consignments.

THE OPORTO GRAPE

This is a very strong grape, and is particularly hardy, having yielded annually for more than ten years. It is very productive, old vines having produced from five to over ten bushels in a single season. Two vines, two years planted in La Salle county, Illinois, were unharmed by the cold, and fruited last season. The wine from a two-year-old vine from two to four dollars per gallon. Look what the history of the Oporto.
It is esteemed by Physicians as a tonic, and is a somewhat stimulating, rich and of healthy character. It is refreshing and good for the stomach.
"I have six different kinds of Grapes, and the Oporto is the best of either of them for wine and better than any other grape that I am acquainted with."
A. D. DAVENPORT, in the Rural.
"For several years we have made wine from the Oporto Grape, and find a ready sale at our dollar per bushel, selling 50 cents for single orders."
