> Scorbutic diseases are the parent stock from which arises a large proportion of the fatal maladies that afflict mankind .- They are as it were a species of potato go North, South, East, or West, as they ret in the human constitution, which undermines and corrupt all the sources of its vitality and hastens its decay. They are the germ from which spring, Consumption, Rheaumatism, Heart Disease, Liver Complaints, and Eruptive Diseases which will be recog nized as among those most fatal and destructive to the races of men. So dreadful are its consequences to human life, that it is hardly possible to over estimate the importance of an actual, reliable remedy, that can sweep out this Scrofulous contamination. We have efficacy-and still more welcome, when we tell them bearer of it is now on the Atlantic, on his that it really does accomplish the end desired. We ATER'S SARSAPARILLA, and it is certainly worthy the attention of those who are afflicted with Scrofule or scrofulous complaints.—Register, Albany, N. Y.

Move on,-Such is the course pursued by Curtis valuable medicines. They never cease doing good bu press forward, relieving the sick and crippled from pain Tennessee river, we believe in the capac- and disease. The wonderful cures that are performed by Curtis' Syrup of Sassafras are really marvelous .-Coughs, colds, hearseness, measles, even Consumption begins to tremble when it comes in contact with it, and soon the deathly grasp is loosened. Curtis' Mameluke stand high, and are used by many respectable physician

NEW ADVERTISEMENS. PROSPECTUS

Continental Monthly

There are periods in the world's history marked by extraordinary and violent crises sudden as the breaking forth of a volcano, or the bursting of a storm on the cean. These crises sweep away in a moment the landof Bull Run, refusing to surrender himideas are born, new theories developed. Such periods mand fresh exponents, and new men for expounders This Continent has lately been convuised by an upaving so sudden and terrible that the relations of al men and all classes toward each other are violently dis turbed, and people look about for the elements with which to sway the storm and direct the whirlwind -Just at present, we do not know what all this is to oring forth; but we do know that great results MUST low from such extraordinary comm At a juncture so solemn and so important, there is a special need that the intellectual force of the country should be active and efficient. It is a time for great minds to speak their thoughts boldly, and to take position as the advance guard. To this end, there is a Ohio regiment, was the first man in his special want unsupplied. It is that of an Independent county to volunteer; was in the battle of the land, and which shall treat the issues presented, and to be presented to the country, in a tone no way tempared by partisanship, or influenced by fear, favor 3. Roderick S. McCook, Lieutenant in or the hope of reward; which shall seize and grapple state of affairs heave to the surface, and which can not be laid aside or a eglected. To meet this want, the undersigned have commenced

under the editorial charge of CHARLES GODFREY LE-Literature and National Policy. In Politics, it will advocate, with all the force at its Dry Goods, ommand, measures best adapted to preserve the oneness and integrity of these United States. It will never yield to the idea of any disruption of this Republic, sceably or otherwise; and it will discuss with honest and impartiality what must be done to save it. In this partuient, some of the most eminent statesmen o the time will contribute to its pages.
In Literature, it will be sustained by the best writera

and ablest thinkers of this country. Among its attractions will be presented, in an early number, a New Sereal of American Life, by Richard B Kimbali, Esq., the very Popular author of "The Beve-lations of Wall Street," "St. Leger," &c. A series of No season within the past four years Pennsylvania, and all their sons of Ohio. velopment of the Great West. A series of articles by the author of "Through the Cotton States," containing the result of an extended tour in the seaboard Slave States, just prior to the breaking out of the war, and presenting a startling and truthful picture of the real ondition of that region. No pains will be spared to render the literary attractions of the CONTINENTAL inality, and solld strength. Avoiding every infine tation required being that of devotion to the Union

the and only standard of acceptance that of intrinsic The Editorial Department will embrace, in addition to vigorous and feariess comments on the events of the times, genial gossip with the reader on all current top ics, and also devote abundant space to the racy specimens of American wit and humor, without which there partment may be mentioned the name of Charles F. rowne ("Artemus Ward"), from whom we have promised an entirely new and originat series of Sketches of Western Life.

The CONTINENTAL will be liberal and progressive, without yielding to chimeras and hopes beyond the grasp of the age; and it will endeavor to reflect the lings and interests of the American people, and to
