PREACHING—Preaching may be ex-
pected next Sabbath, at the Methodist
church, at half-past ten, A. M., by the
Rev. T. W. TITTON.

The Advertiser is delayed several
days this week for the want of paper.—
The paper on Monday, but the
letter left before our letter was received.

DR. GODFREY—Has located in our
city. He comes well recommended. His
experience both in France and this coun-
try is extensive. See his card in apoth-
ecary.

The advertisement of H. M. At-
kinson, of lands and lots for sale, in an-
other column. Here is a rare chance for
bargains. Mr. Atkinson will sell a
lot of the town lots for less than cost.
He is determined to sell, for the purpose
of raising the money in other business.

DR. AGON—Col. FRANKS, Surgeon
General and Capt. LANGDON, left on
Monday last, for the
quarters of the First Regiment of
Indiana, at Le Roy. Mr. CAW-
WELL, Barrett, and a number of others
left on a trip to the States. J. H. H.
WERT also left for his home in Ken-
tucky.

DR. SNOW—On Wednesday evening
an orchestra of the Route to Pike's Peak,
pictures of the principal battles and
Generals of the present war,
were exhibited in this place. The scenes
of the Platte Valley were pronounced
to be those who have traveled to the
main. The likenesses were good,
no doubt accurate.

THE OMAHA passed down on Tuesday
evening. Quite a number of our citizens
passed on her for the South and
West. This standard steamer has been
running on this river ever since Nebraska
settled, and it has proved itself to be
the most safe and reliable boat on the
river. The Captain, Clerk, and other
officers are gentlemen and accommo-
dation. She is deservedly the most popu-
lar boat that floats in the upper Missouri.

PERSONAL—Hon. JESSE NOEL and
his wife, Esq., have both returned
from Colorado. Mr. Lake has been ab-
sent from the mines for over two years—
at the time mining—and we believe
has been very successful. He makes
his visit to New York on business,
will then return to the mines.—
On the left the mountains, his hands
are taking out of his lead three cords of
lead per week, each cord yielding from
\$5 to \$1,000.

THE CREAM AND CROWN BEER—
The De LA MARQUE, has estab-
lished, in the lower story of the building
on the north east corner of Main and
Second streets, an "Ice Cream Parlor."
It will also keep on hand, for the accom-
modation of the Temperance Society, and
others who may wish to partake there-
of. Doctor CROOK'S Celebrated Spruce
Mons. M. is an enterprising citi-
zen determined to make an honest living
of his wares. He will keep at both
his rooms, Periodicals and Pictorials;
also agent for many of the new
and literary papers of the East.—
A person wishing to subscribe for any
paper, or procure books that cannot be
found in our city, will find it conveni-
ent to apply to him. We understand he
contemplates establishing an oyster de-
partment as soon as the hot weather is over—

WEST WIND—This packet passed
Sunday last, on her downward trip,
and landing at our wharf. We have
heard many conjectures as to the reason,
but no satisfactory explanation has
yet been made. There were ten or twelve
passengers here waiting for her; among
them one of our army officers who had
been ordered to delay their journey, this keep-
ing them away from their posts until after
the expiration of their furlough. There
was an attachment out against the boat,
and the debt was small, it is not prob-
able that she avoided our landing on
her account, especially as the attachment
was served on Sunday. The follow-
ing notice from the News of the 14th,
probably account for it:

The steamer West Wind, Capt. Hoop-
er, W. W. Copeland, Clerk, passed up our
river morning last. She discharged
enormous loads of freight at our levee.
The West Wind has made the round trip
from St. Joseph to Omaha and back—
less time than the thing was ever be-
fore accomplished; and the Captain says
that he can still better, i. e., run it to
Omaha. From our knowledge of the
West Wind, we do not doubt it.

Our citizens have always patronized the
West Wind in preference to through
lines, because it was thought they could
depend upon—we knew when to expect
them. But the action of the West
Wind on Sunday occasioned a good deal
of indignation among our citizens.

dicial District, died of consumption about

QUESTIONS—What is a jew's-harp mould?
Is there any in town? If so, who has
them? Is it fair to wrap a rose in
paper and call it a jew's-harp mould?
When jew's-harp moulds are wanted, is
it fair to send bullet moulds, or any other
kind of mould? If a rose is called by any
other name, will it smell as sweet?

"LATE PAPERS"—We received to-
day, by mail, various papers, issued so
late as December, 1861. Several of them
had come all the way from New York.—
We also received one of a much later
date, the White Cloud Chief. It had
travelled here in the remarkably short
period of one month. Strange to say these
papers were not more than half worn out.

SWEET POTATO PLANTS—Mr. CAR-
STILL has on hand a few more Sweet Pot-
to Sprouts, which owing to the season
being now far advanced, he will sell at
twenty-five cents per hundred. It is not
yet too late to plant. Those that were
planted very late last year, yielded a good
crop. He will keep them until the mid-
dle of next week, when all that are not
taken, he will transplant.

RARE FLOWERS—A friend of ours,
who is quite a florist, calls our attention
to a local in the Opaba Nebraskaian.—
The proprietors have "just received a
large assortment of Bedding Plants,"
such as "Dubie," "Veronica," "Helio-
pope," "Neriums," &c., &c. These
are supposed to be new varieties of flow-
ers, as their names are not found in any
printed catalogue in either Europe or
America.
