THE DAY SCHOOL BELL. -The times are lively, and such as may be easily mantered by children. The spirt of the songs is unexceptionable and well adapted to the school room. It is the cheapest and among the best compends of school music published .- New York Teacher. DAT SCHOOL BELL -This book is eminently adapted

to use in our common schools.

We have a great number of school song books before the public, but many of them lack musical as well as literary taste, and are really demoralizing in their influ-ence upon the musical talent of the young. Airs of acknowledged excellence, wedded to words of true poeiry are the qualities that pught to be sought with the greatest care in the preparation of a school song book. This book seems to combine these two qualities .- Pennagl-vania School Journal. HORACE WATERS, Published by No. 481 Broadway, New York. 1141-15 -

In the month of December, 1868, the undersigned for the first time offered for sale to the public DR. J. BO-VEE DODS' IMPERIAL WINE BITTERS, and in thir short period they have given such universal satisfac tion to the many thomands of perions who have tried them that it is now an established article. The amount of bodily and mental misery arising simply from a new giect of small complaints is surprising, and is is there. ore of the nimest importance that a strict attention to the least and most trilling bodily aliments should be had; for disease of the body must invariably effect the mind. The subscriters now only ask a trial of

from MI who have not used them. We challenge the

world to produce their equal: These Bitters for the cure of Weak Stomachs, Gen-eral Debility, and for Purifying and Enriching the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necesssary to make the trial. The wine is of a very supe
