

OUR FLAG.

Then up with that banner! where'er it may call, Our millions shall rally around;

FOR DELEGATE IN CONGRESS, SAMUEL G. DAILY.

Consistency. On several occasions during the past Summer, we expressed a desire through the Advertiser, that a Union candidate, irrespective of party, should be nominated for Congress.

William H. Taylor an Author. We have before us a new publication in the shape of a "little book the author leaves here that you may look upon," entitled "Address of the HON. William H. Taylor to the citizens of Nebraska Territory, against the re-election of Hon. Samuel G. Daily to Congress."

"Great God!" The "integrity and character" of Wm. H. Taylor "preserved!" The author, in speaking of what he terms the fraudulent manner in which Mr. Daily received the nomination, says of Nebraska county:

often as three times; they received the votes of boys under twenty-one years of age; they then and there, at the Nemaha county convention, permitted secession refugees, fresh from Missouri, to vote for S. G. Daily.

Let our people take warning in time. Let them take it for granted that Lincoln has, or will very soon get, all the men he has called for, and prepare for the emergency. Pope's Official Report. Pope's official report of the movements of the army in Virginia, from the time it left Washington until it returned, published this afternoon, attributes the whole disaster to the failure of the army of the Potomac to co-operate when he was on the Rappahannock.

Rebels on the March to the Ohio. Let our people take warning in time. Let them take it for granted that Lincoln has, or will very soon get, all the men he has called for, and prepare for the emergency.

The Relief of Gen. Hunter. It is understood, says a Tribune dispatch, that Gen. Hunter was relieved at his own request. The appointment of General Mitchell as his successor, indicates no change of policy in the Department of the South, at least so far as regards the slavery question.
