May 22, 1862, p46-tf. McCORMICK' Reaper and Mower

Chicago, Ill. This celebrated machine is by all odds the BEST GRAIN AND GRASS CUTTER IN THE WORLD. Netwithstanding the misrepresentations of those interested in other machines, C. H. McCornnek & Bro. manufacture at the rate of 8,000 per year, Many changes have been affected during the past season, and for 1862 he "McCormick" is presented with greater attractions

than ever before. As a reaper, THE ECONOMY OF POWER IN THIS MACHINE, ITS Strength, Durability, and Simplicity, give it preference over all others New improvements added have materially lessened the direct draught.

and so obvisted the side draught that many assure us that it does not now exist. The drught of the Resper is so light that in numerous instances the large four horse machine is worked with but two horses. FOR MOWING. The Machine of 1862 will stand any test that may be applied. Our Guard and Patent Cleaner effectually prevents choking, no matter what the condition of the

grass, while our new divider point separates buildly odged and tangled clover or grass, where other ma-There is also a great advantage in our serrated sickle edge over the smooth, as it does not require sharpening so often, thus saving time. Our sickle will frequently run through an entire harvest without once grinding while the smooth edge must be ground once each day, if not oftner. With a smoth edge the tranght increases as the knife becomes duil Our draught is uniform, and in the repeated trials during the season of 1860 61. proved far lighter than single Mowers, cutting at the same time from twelve to eighteen inches wider. Our Mower can be used with or without the reel, this is important, as without the reel it weighs but about 670 pounds. in addition to the very liberal warrantee given to all purchasers, we would say as heretofore, that farmers who may desire it, are at liberty to work our machine through the harvest with any other, and keep and pay

for the one preferred. Pamphlets with full description of improvements, monials, &c., can be had by application to THEO. HILL, Agent, Brownville, N. T.
