COOPERS WANTED! The undersigned desires to purchase 2,000 good Flour Barrels. The great demand for his flour, not only in this Territory, but from Julesburg, Denver, Central City, and all parts of Colorado; from St. Joseph, Mo., and Leavenworth, Kansas, renders it

essential that he should have Barrels. He is determined to furnish a good article of Flour, as cheap as possible, and as the high price of Sacks add to the price of Flour, he is determined to procure Barrels. He is willing to pay Coopers a higher price for their work than they obtain in the J. G. MELVIN. Febl4-n32-tf.
