There is one way in which a road fund might be obtained that would be ample to finish this road in a very short time, and that is for the Legislature this winter to re-pass the law requiring a road tax of \$3 on each quarter section of land. Let the tax be paid in money, not work, and be put in the hands of the County Treasurer to constitute a road and bridge fund to be judiciously expended by the County Commissioners. What to do with a "Green Back."

There is, just now, a way of using one of Uncle Samuel's paper dollars, so as to get back the worth of many gold dollars in a single year. Everybody has heard of Seth Boyden's wonderful new Strawberry. From all accounts it is a marvellous thing-the berries nearly as large as hen's eggs, and as good as they are large. Dealers were after it, offering as on Bragg, while in the West Burnside i high as \$3000 for the plants, to speculate upon; but we are glad to know that the enterprising publisher of the American Agriculturist got the start of them, and Rosecrans, if indeed he has begun a bought up all the plants, and is multiplying them in order to give them away to expending it. KANS AS .- The resolutions adopted at the recent mass meeting at Paola, Kansas, while expressing in unmistakable language the determination of the people of the eastern part of that State to resist further envasion of their soil by marauders from the border counties of Missouri, intimate an intention to rely upon the aid of the Government, which is highly commendable. Goaded to desperation by the murderous outrages at Lawrence, threats of vengeance and retaliation were made, which, in their fulfilment, would have called down upon the heads of the perpetrators the execrations of mankind; Thirty-five hundred armed men, we are informed by telegraph, responded to the call for the meeting at Paola, but instead of taking up their line of march for the localities wherein it is believed that Quantrel and his murderous band enjoy the spoils of their marauding expedition, they quietly | ber 1863. passed a series of resolutions and then retired to their homes, there to await the report of the delegation sent to Washingwith a statement of their many grieveances.
