Are you sick, teeble, and

complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and clease out the disor-dered humors—purify the blood, and let the fluids body into vigorous seffvity.

purify the system from the obstructions which make disease. A cold lettles somewhere in the body, and obstructs its natural functions. These, if not reobstructs its natural functions. These, if not re-lieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the sys-tem, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deepseated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of tions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure. Statements from lgading physicians in some of the principal cities, and from other well-known public persons.

From a Farwarding Merchant of St. Louis, Feb. 4, DR AVER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our ild was cured, she also tried your Pills, and they we cured her.

ASA MORGRIDGE. have cured her. As a Family Physic.

From Dr. E W. Cartwright, New Orleans.
Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease. Headache, Sick Headache, Foul Stomach.

From Dr. Edward Boyd, Bultimore,
DEAR BRO. AYER: I cannot answer you what
complaints I have cured with your Pills better than to say all that we ever treat with a purgative medi cinc. I place great dependence on that effectual cathartic in my daily contest with disease, and believing, as I do, that your Pills afford us the best we have, I of course value them highly.

PITTSBURG, Pa., May I, 1855.

DR. J. C. AVER. Sir: I have been repeatedly cured of the worst headache anybody can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Yours with great respect, ED. W. PREBLE.

Clerk of Steamer Clarion. Bilious Disorders - Liver Complaints.

From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints then any one remode. cure of butous can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people. DEPARTMENT OF THE INTERIOR, |

Washington, D. C., 7th Feb., 1856. Sir: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of biliaus discusse so obtinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D., Physician of the Marine Hospital. Dysentery, Diarrhea, Relax, Worms.

From Dr. J. G. Green, of Chicago.
Your Pills have had a long trial in my practice, and I hold them in esteum as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for billious dysentery and diarrhaa. Their sugar-coating makes them very acceptable and convenient for the use of women and Dyspepsin, Impurity of the Blood.

From Rev. J. V. Himes, Pastor of Advent Church, Dr. Aver: I have used your Pills with extra-ordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confi-dently recommend them to my friends. Yours, J. V. HIMES.

WARSAW, Wyoming Co., N. Y., Oct. 24, 1855.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the cleanse the system and purify the fountains of the blood. JOHN G. MEACHAM, M. D. Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, etc.

From Dr. J. P. Vaughn, Montreal, Canada.

Too much cannot be said of your Pills for the cure of costiveness. If others of our frateristy have found them as efficacions as I have, they should join me in proclaiming it, for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe costiceness to originate in the liver, but your Pills affect that organ and cure the

From Mrs. E. Stuart, Physician and Midwife, Boston. I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the natural secretion when wholly or partially suppressed, and also very effectual to cleanse the stomach and expel worms. They are so much the best physic we have that I recommend no other to From the Rev. Dr. Hawkes, of the Methodist Epis. Church.

PULASEI HOUSE, Savannah, Ga., Jan. 6, 1856. PULASKI HOUSE, Savannah, Ga., Jan. 6, 1856.
HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on execuciating neuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills, Their effects were slow, but sure. By persevering in the use of them, I am now entirely well. SENATE CHAMBER, Buton Rouge, La., 5 Dec. 1855.

DR AYER: I have been entirely cured, by your Pills, of Rheumatic Gout—a painful disease that has ufflicted me for years.

VINCENT SLIBELL. Most of the Pills in market contain Mercury, which although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incantious use. These contain no mercury or mineral substance.
