A MONTHLY MAGARINE

The most comprehensive miscellany of nasfel knowledge and General Literature, periodically issued in the United States; embracing all the fun-tures of a Polytechnic Journal, Economic Expeditor Literary Repositors and Monthly Register. Benetrial Interests and all joint stock surporation con-

Having commenced the Fifth Volume of this

Magazine, whose success orinors that the effects of its conductors have been appreciated by a distributnating public, we would call attention to its charactor on the part or the large body of readers who are not yet upon its subscription lists. Our parpose in this publication is the dissemination a practical information on subjects of positive atility to the people, combined with a divergity of literacy attraction - securing the services of the best page in the various departments of Science, Belley-Lettres and General Literature. While aiming most onproially to render most effective service to the Trade, Commerce and Material Production of the Country, many sides of the Country, many sides of the mental world receive due consideration-the Historical, Critical, Esthetical and Imaginative, ad many of them written expressly for this work busides well as the Financial, Statistical, Technologises 32 many of the Elements of Music, which are easy and and strictly Mercantile. We employ allke the resench of the savant and the fancy of the feelletenist, with the practical experience of the business man and the worker. In the treatment of mientific topics, the mode selected is the popular in style rather than the technical. The means phase off the hour it shall be our endeavor to portray, and we avail ourselves of the contributions of new Dissorcry to the Circle of Knowledge, and shall record with all practicable succinctness Current latelligence, which will be of future ntillity and historia interest when the Present shall have become the Past. In fine, the American Exchange and Review is a desirable and ever welcome monthly visitor in its subscribers-imparting the richness of knowledge improving the taste, and furnishing intellected gratification.

The fleview has its specialities in distlet and tacreasing Departments, with a General Division for the widest consistent scape of themes. We give a specification of topics which are the subjects either

of occasional or regular publication, viz:
The Arts, Esthotics: Agriculture, Applied Chem-lstry, Archneology, Belles Letters, Biography, Cristciem, Recommon-Political, Arithmetic National Taxation: Finance-banking ourrency, Corporation, Accounts, Exchange, Fluctuations in Securities. Stocks; History, Industrial and Morcantile enterprises, insurance, internal Improvements-Rallways. Canals, relegraphs; Manufactures-Products, technology; Mechanics, Mining-Mineralogy, Geology. Metallurgy; Patents, Physics, physiology, statistics,

OF THE

For the Year 1804. DAILY, TRI-WEEKLY & WEEKLY The war drama is approaching its highest point of interest. This year will probably consumate the Boom of the Rebellion, witness the National Govornment restored in the fallen States, these segenerated, and Slavery obliterated from the land ! The events of '61 will be among the most momentage in the History of the Country, and doubtless will include the return of Peace, and the entrance of America upon a new career of unperalleled greatness and prosperity. With Labor vindicated from the represent of ser dom, the People will stand upon a higher platform of intelligence and power, and feel a still profounder interest in all the details of the progress of their own and other lands. Mhe old world is entering upon a new series of commotions, to treminate in the triumph of Democracy beyond the Atlantic; while emigration to America will

ly depicted in the column of the DEMOCRAT, which we are resolved to render more valuable ant as tractive than ever as a faithful Mirror of Passing History. Inspired by the spirit of Democracy-acknowuging no leader but Truth-The Missouni Dam-OCRAT will continue to be solely the Organ of the People, and prompt to descence and repudiate any political or military aspirant who socks to betray In addition to our War News, we shall continue in our Weekly paper the Weekly News Summary, and also an abstract of the proceedings of Congress and of the Proceedings of Legislatures of Missouri

acquire a new and framendous impetus, augmenting
