A new Democratic paper has been started in Omaha. It is edited by a Mr. AGENTS, and Dealers in Juks and Harvey, a younger brother to the editor of the Nebraska City News. We have not seen a copy, but understand it advocates submission to the rebels. The editor of the Nobraskian Las managed to loose the confidence of some of his party, by his course on both sides of the State question, they have consequently been anxious for a new paper.

> Many of our delinquent friends when they come into our office, get their paper, and, if the senior member of the firm is not about, stand around and look as if they'd like to settle, but generally leave without doing so. We would say to all that the junior is capable of receiving money on subscription or job work, and that he is anxious to become proficient in this very essential branch of the business. Won't somebody try his skill?

Since our last this vicinity has been visited by several refreshing showers, and everything looks well. The county generally has been blessed with plenty of rain lately. Harvesting is generally over. The proprietors of this justly osteemed and wellknown brand of Stomach Bitters, do not deem it necessary, it order to give their goods a fictitious, or even an enkanced value, to take a fling at all other Bitters, and proclaim in small capitals that they are worthless .--Our Bitters do not need this, as we place them before the public on their merits, and invite your careful atteotion to the goods we allow our brand upon, knowing as we do, that our reputation so at stake. The name "Red Jacket" is taken from the original compound by the native child of the forest, and with the addition of a few herbs by Dr Chapin, made more agreeable to the taste, they now have a peculiarly healthy, soothing, and recuperative induence, especially for the pa-tient rising from the bed of sickness, loss of appetits, distress after eating, distiges, and all diseases arising from Torpid Liver or indigestion

They strengthen and invigorate the system. They are unequalled for general debility. They are a sure cure cure for dyspepsia.

They are a sure cure preventive for Fever and Ague

They give a good and healthy appetite.

They are the best stimulant in existence.
