The Capture of the Florida. From the Boston Advertiser, Nevember 9. The news which we announced yeshipping. terday morning, that the arrival of the famous steamer Kearsarge at this port had brought the intelligence of the capture in Brazlian waters by the Union gunboat Wachusett of the notorious rebel cruiser Florida, sent a thrill of sur-

prise and delight through the "community even in the midst of the excitement and anxiety of Presidential election day. The ojoyful news spread over the city like wildfire, and was the universal subject of discussion and mutual congratulation, and the interests of the Congressional and natural elections seemed almost forgotten in comparison. One our reporters paid a visit to the Kearthe collision which he saw to be iminent sarge during the day, and by the kind coursesy of her officers, Paymaster J. A.

You will run into us if you don't look Smith being especially obliging, was enoft." The design of Captain Collins Wishes to inform the ladies of Brownville and abled to obtain a detailed acccount of the was simply to strike the Florida amidsingular affair in the bay of Bahia, comships with full steam on, crush in her prising all the particulars which are acside, and send her at once to the bottom cessible to the public.
