PILLS.

Are you sick, feeble, and

complaining? Are you out of order, with your system

deranged, and your feelings

uncomfortable? These symp-

tems are often the prelude

to serious illness. Some fit

of siekness is erceping upon you, and should be averted

by a timely use of the right remedy. Take A er's lifts, and cleanse out the disor-

cered homors-parity the blood, and let the fluids

move on unobstructed in

purify the system from two obstructions which make

disease. A cold settles samewhere in the body, and obstructs its matural functions. These, if not re-

lieved, react upon themselves and the surrounding

organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how discard

directly they restore the natural action of the system, and with it the brocant feeling of health again.

What is true and so apparent in this trivial and com-

mon compleint, is also true in many of the deep-

seated and dangerous distempers. The same purga-

tive effect expels them. Cau-ed by shuffar obstruc-
