BROWNVILLE, THURSDAY DEC. 1., 1864.

LOCAL.

Blank Deeds, Mortgages, Executions, Replevins, Marriage License, &c. &c. &c. for sale at this Office.

—There will be religious services at the Presbyterian Church in this place, morning and evening, next Sunday, by Rev. Mr. Baird.

There will be service held at the M E. Church, in this place, next Sabbath at half past ten o'clock, by Rev. Mr. Chivington.

Thanksgiving-day.

Last Thursday was duly observed by the good people of Brownville as a day of thanksgiving and prayer. All the shops and places of business were closed, and all business suspended. Services were held in the Presbyterian Church, where a sermon was delevered by Rev. Mr. Chivington.

The place presented a very quiet, orderly appearance throughout the day, characteristic of the high morality that exists among us.

—The steamer Kansas Valley is lyin over at Plattsmouth, and the Majors, ag Nebraska City. Neither of them will be likely to get down the river this winter. The crew of the Majors has been discharged and sent below.

The J. H. Lacy has got off the bar at Sonora Island, and is again on her way up the river. A part of her crew was discharged before she got off.

—The weather for the past week has been mild and pleasant, though somewhat damp, with heavy fogs of mornings.

—Mr. Theo. Hill of this place is packing pork again this season and wants 3 000 No. 1 hogs, for which he will pay the highest market price. Bring them on.

—Mr. Swan, of the enterprising firm of McLaughlin & Swan, has just returned from the East, where he has been laying in a large stock of Provision, Tobacco, etc. etc. Give them a call.

—Mr. W. H. McCreery desires to inform the public that he is just receiving a large and well selected stock of Drugs, Medicines, Oils, Glass, Lamps, Groceries, etc., etc. Call and examine his stock, it is the largest ever brought to Brownville.

—A new steam ferry passed this place on last Sunday—bound for Nebraska City we understand.

—Ben. Holladay was in town Tuesday night. We understand that he is traveling over the route with a view of establishing a line of coaches from Nebraska City to St, Joe. Mo.

The *Nebraska Farmer*, a new Agricultural Journal, will be started on the 1st, of January 1865, provided the citizens of Nebraska give the enterprise sufficient encouragement. It will be published every month at Brownville Nebraska and will be devoted to the Agricultural interests of the Missouri Valley.

—Quite a number of estray notices appear in the paper this week. Now is the time for people to be looking up their stock.

—The Atchison County *Journal* of last week says the editor is too busily engaged packing pork to write for his paper. He has truly gone into a *fatter* business, but it does not seem to make his articles the least oily.

—Some days ago Mr. W. T. Den, a prominent merchant of our place, returning from the east with a new stock of goods telegraphed from St. Joseph Mo. to his Clerks in this place to send down teams for the transportion of his goods, but as the teams did not come, he came on to Brownville to find his clerks in perfect ignorane of the dispatch, and the dispatch itself lying in the telegraph office undelivered.

This will cost M. Den something besides the delay in the receipt of his goods.

The Chicago *Tribune* of the 12th says, it has received returns from all the counties in the State except Boone, Calhoune, Clark, Cass, Edwards, Greene, Lawrence, Moultrie, Platte, Randolph, Saline, Schuyler, Shelby, Wayne and White. These counties gave a Democratic majority in 1860 of 5,925. Should the same vote have been cast at the late election, the Republicans will have carried the State by 32,455 majority. The probabilities are that the Democratic majorities of 1860 are largely reduced.

A Poet who is engaged in examining the various "water falls" that adorn the heads of the ladies, has now perpetrated the following:

"Such curls as those your sister wears,
How many maides have prayed for,
Now candidly are they her own?"
"Oh, yes they're her's—and paid for"?

—. Mercer, late French Minister to the United States, has been appointed Minister to Spain, and the Marquis de Chateaubriand succeeds him here.

THESE Bitters are prepared, in pure Bourbon Whisky, from a combination of over twenty different kinds of roots, barks and herbs, which act in perfect concert one with the other, prepared from the original formula given by the great chief, Red Jacket, to Dr. Chapin, who used them successfully in his practice for many years, and by their use gained so great a popularity in the treatment and cure of Dyspepsia, Liver Complaint, Constipation, Sick and Nervous Headache, Fever and Ague, and all diseases arising from torpid liver or indigestion. Persons suffering from either of these loathsome diseases will find a sure cure by the use of these Bitters, which are perfectly pure and free from all those drugs and poisons usually put up in such preparations and palmed off on an unsuspecting public. A single trial will convince the most skeptical that in the RED JACKET there is virtue which no other Bitters possess.

They strengthen and invigorate the system.
They are unequaled for general debility.
They are a sure cure for dyspepsia.
They give a good and healthy appetite.
They assist digestion.
They are the best stimulant in existence.
They are a preventive of Fever and Ague.
They relieve constipation.
They cure Nervous Headache.
They are perfectly pure and palatable.

Aged persons and delicate females will find they can save large doctor's bills by the use of these bitters.

Beware of counterfeits. The Red Jacket Bitters are only sold in bottles with our name blown on the side, and our private government stamp across the cork. —OUR—

THE LADIES' FRIEND,

A MONTHLY MAGAZINE

OF

LITERATURE AND FASHION.

The January number of our New Magazine has met with a very flattering reception from the journals of the country. Read the following among many.

NOTICES OF THE PESS.

THE LADY'S FRIEND.—This is the title of a new magazine published in our city by Deacon & Peterson, No. 319 Walnut Street. As its title indicates it is emphatically the lady's friend, and is replete with everything calculated to please and instruct. The corps of contributors to its columns embrace some of the best literary talent in this country and in England. The fashion plates in this number, January, are superb and of the latest style, while there is an abundance of patterns of all classes and descriptions. Gabriel Wilkie's "Return from the War" is a splended steel engraving, from a design prepared expressly for the Magazine. This new enterprise is eminently deserving the patronage of our lady friends.—Philadelphia Inquirer.

A NEW LADIES' MAGAZINE.—Messrs. Deacon & Peterson have just placed before the public the first number of a new magazine, called The Lady's Friend. It is evidently very well edited, by Mrs. Henry Peterson; is well printed and handsomely illustrated, and is full of excellent original reading. Among its contributors are Miss Eleanor C. Donnelly, whose excellent little sketch called, "Gabriel Wilkie's Return," appears with a steel engraving in this number; Miss. Eugenia Mott, Mrs. Peterson, Miss Virginia Townsend, Marion Harland, and many others. "A Medieval Poem," by Mrs. Rapdolph, probably contains the best thoughts of the number.—Forney's Press' Philadelphia.

THE NEW YORK WEEKLY HERALD,

The Cheapest Paper in The World.

The extensive and comprehensive facilities in its possession enables the PROPRIETOR of the WEEKLY HERALD to guarantee the latest and most reliable information possibly to be obtained, not only from all parts of the United States, but from all parts of the world.

Its home correspondents, engaged at heavy cost and connected with each new naval and military expedition of the government, prove that it is determined to leave no spot uncovered by its operations and no event can occur that shall not find immediate report in its columns. It costs the proprietor over one hundred thousand dollars per year to maintain its corps of correspondents in the field.

In its collation of Foreign News the HERALD has for years held a high position, and it will endeavor in the future to maintain the stand it has assumed. It has special correspondents stationed in all the principal cities of the world.

Its telegraphic arrangements extend to wherever the electric wires are stretched. When the Atlantic cable is laid, which feet will soon be accomplished, telegrams will be received from Europe and Asia, as well as from the United States. Then our readers will have the events of the week in all parts of the civilized world regularly and clearly laid before them.

The proprietor devotes a portion of the paper to Litterature, Fashion, Agriculture, the Mechanic Arts, Sporting Matters, Business, Theatrical and Financial Reports, Cattle Markets, General News, and reports of all events calculated to form an excellent metropolitan newspaper—a weekly photographic view of the events of the world—and all at a very low price.

The WEEKLY HERALD is issued every Saturday morning, and furnished at the following rates:—

One copy	$1
Five copies	$5
Ten copies,	$15

Any larger number, addressed to names of subscribers, $1 50 each.

An extra copy will be sent to every club of ten.

Twenty copies, to one address, one year, $22, and any larger number at the same price.

An extra copy will be sent to clubs of twenty.

Advertisements to a limited number will be inserted in the WEEKLY HERALD.

The WEEKLY HERALD, three cents per copy.—Ten dollars per year for three hundred and sixty-three issues. Five dollars for six months. Two dollars and fifty cents for three months.
