BROWNVILLE, THURSDAY, AUG. 31, 1865

LOCAL.

Blank Deeds, Mortgages, Executions, Replevins, Marriage License, &c. &c. &c. for sale at this Office.

There will be a meeting of the Union Voters of this Precinct at the office of Chas. G. Dorsey on Wednesday, September 16th, at 1 o'clock, p. m., for the purpose of electing Delegates to the Union County Convention. Turn out, all!

☞ Persons desiring to announce themselves as Candidates for Office at the ensuing election can do so through the "Advertiser" for the moderate sum of $3.00, cash down. ☜

Scythes, Snaths, Forks, &c., at McLaughlin & Swan's.

For choice Dry Goods and Groceries go to Henderson's Chicago Store.

Messrs. Seemen & Ehrlich, will soon open a large Clothing Establishment in Breitmeyer's New Brick.

McLaughlin & Swan have for sale a choice lot of Bacon.

The Star Store is still gaining in the estimation of all who desire to buy choice goods cheap.

Choice Dried Beef, Cheese, &c., kept on hand by McLaughlin & Swan.

John T. Scott is always on hand at the City Meat Market, with choice Fresh Meat of all kinds.

Flouring Mills Manufactured and for sale by J. Medford, at his Cabinet Shop on 2d Street, in this city.

Capt. Carson's new Bank building is about complete, and shows the finest front on Main street.

Died, August 28th, 1865, of Lung Fever, aged 25 years, 5 months and 10 days, Mrs. Nancy E. Zook, wife of P. M. Zook of this City.

There will be Episcopal Services by Rev. Geo. R. Davis at the First Presbyterian Church next Sabbath at 10 1-2 o'clock, A. M.

C. W. Wheeler, Cabinet and Coffin Maker, on Main street, has on hand a fine lot of Imitation Rosewood Cases and Coffins, which he offers cheap.

We notice a new building going up on Front between Main and Water streets, which we learn is Morgan & Hewett's Plow Factory. Success to their energy and enterprise.

See the Advertisement of Deary & Co., in to-day's paper. Their choice Groceries are already attracting universal attention, and we can warrant satisfaction to all who give them their custom.

A Territorial meeting of the members of the Christian denomination will be held in this City, in the Christian Church, commencing Friday evening, September 15th, and continuing ten days.

The wet weather has delayed the building of the St. John's Church, at Nemaha City, yet it is now good building weather, and if it continues we hope soon to chronicle the completion of this Church.

The Little Rebel was not purchased for this place, as we supposed last week. The company who have since sent to put in a boat have failing to purchase at the Mound City Sale, have gone further East in search of a boat.

The Culvert on Main street, between 7th and 8th, is now covered sufficiently to admit of the passage of light teams over it. Workmen are now filling in on it as rapidly as possible, and it will soon be ready for all kinds of crossing.

Last Sunday was one of the hottest of the season. We have heard of two cases of sun stroke of person while returning from Camp-meeting. One, a daughter of S. P. Majors, the other, a son of C. W. Wheeler. Both are doing as well as could be expected.

The steamers Omaha and J. H. Lacy, having on board the 50th Wisconsin regiment, bound for the Plains, landed at our wharf last Tuesday morning. The "boys in blue" seemed in excellent spirits, and will doubtless leave a brave record on the scalps of the blood-thirsty savages on our frontier.

The reported hanging of Rob't Thompson has proven, as we supposed, a hoax. We have reliable information that he was taken by his kidnappers to Maryville, Nodaway county, Mo., where, after a preliminary trial, he was bound over to appear at Court, and in default of bail is now in jail in that county. Will our Governor do his duty now, and see that the kidnappers as well as kidnapped are brought to justice?

We notice a few Street improvements going forward on Main Street. We and the members of the Christian Church would be under many obligations to our City Fathers if they would grade down 4th street at its junction with Main on the North side, so as to make it more passable to teams.

Something very like burglery happened in our City last Sunday night. About 11 o'clock on said night a couple of boys broke into the Central Saloon on Main street, but were detected and fled, geting home and in bed without being caught; but were caught afterwards, and on being examined they confessed and disgorged a "$10" Confederate Script which the had taken from the drawer. This is the pettiest larceny ever committed in this City.

See the advertisement of the North Missouri Railroad, in to-day's paper.—This road has, since the war, been thoroughly repaired, and is now in excellent running order. All the connections it advertises, you can depend on making, and its advantages are great. In going East you will find it a pleasant episode in your history to travel part of the way on the North Missouri Road.

Our citizens are under obligations to the Brownville Brass Band for that delightful serenade last Thursday night. Fat Women, Dead Crockodiles, Hairless Horses, and Circus Shows have visited this City within the past three months, all accompanied with "the best brass band in the West," yet none could equal our home band—nay, not even Haskell.

VEGETABLE SICILLIAN

HAIR RENEWER

As the name indicates, it not only RENEWS it will restore the hair when thin and falling off, but effectively RENEW THE COLOR to its original hue when it is turning grey or whits, whether caused by disease, grief or old age.

It will certainly do what is claimed for it, as the testimony of hundreds, nay, thousands who have used it fairly and in any reasonable time its reputation spreads like wild fire, and is the best advertisement and recommendation we desire. In the Eastern States, where the "RENEWER" originated, it is used by all Young Ladies as a Dressing, and has been found on the toilet tables of Young Men, (also on their barbers,) while Older Men and Women will not be without it, as a renewer and restorative for their grey locks and bald heads, which it changes to their entire satisfaction.

We are selling in the city of Boston alone, upwards of 16,000 bottles per month, the dealers giving the RENEWER the preference over all other Hair Preparations.

If not sold by Druggists in your town, a *Trial Bottle* will be sent you by Express, upon receipt of one dollar by mail—thus giving you an opportunity at once for testing its excellent virtues.

☞ Orders for Trial Bottles, must be addressed to our General Agent for the Northwestern States, C. A. COOK, Box 6324, Chicago, Ill. All such order will receive prompt attention.

THE AUTOMATIC ORGANS.

In presenting the Automatic Organ, we boldly announce the greatest triumph in musical instruments of the age. During the past half century, the French and Germans have manufactured reed instruments with double bellows and expression pedal for the feet to operate, and the swell, which is a contrivance by which we, (which is the space between the lower parts of instruments) made it impossible for them to produce the mellow, rich and musical tone for which our instruments are celebrated.

Another objection to this method of blowing was had, because being occupied, no opportunity was offered for the manufacturers of the swell. Within the last few years, instruments constructed on the European plan of "double bellows," have been manufactured in this country, and to counteract this difficulty part of a swell, a lever has been projected from the centre of the instrument, to act upon the swell, and operated by the knee. The inconveniences and contortion necessary to effect this object are of a decidedly much to a gentleman, but to a lady the use of such an appendage is next to impossible.

Our Automatic device obviates this difficulty entirely, the simple act of blowing with more or less force giving the desired increase or decrease in the volume of tone.

For seventeen years the superior excellence of our Melodeons has not been questioned, and for two years past the enormous demand has made it impossible for us to meet our orders promptly. With our increased facilities, we feel warranted in assuring our patrons that their orders will be promptly filled, and solicit a continuance of their patronage.
