the middle of the channel of said Mis poari river, and following the meanderings thereof to the place of beginning

SCHEDULE.

§ 1. That no inconvenience may arise from the change of territorial government to a State government, it is declared that all rights, suits, actions, prosesutions, judgments, recognizances, claims and contracts, both as respects persons and bodies corporate, shall contipue and be enforced as of no change had taken place, and all laws now in force shall restain in force until altered, amended, or appealed by the Legislature; Provided, wherever the word Territory shall occur, it shall be construed to sary, in order that such laws may conform to the State Government.

§ 2. All debts, fines, penalties, recognizances, and forfeitures, due and owing to the Territory of Nebraska, shall inure to the benefit of the State, and all obligations and bonds to the Territory of Nebraska or any office thereof, shall be esteemed and taken as due and owing to the State of Nebraska, and may be in such manner enforced.

&3 The Gove nor and all other ofshall continue to discharge and exercise the duties of their respective offices, until superseded by the provisions of this Constitution or the officers appointed or elected by the authority of its provisions.

& 4. The first election for Goverernor, Secretary of State, Auditor of State, one Representative to Congress, Congress. the Justices to the Supreme Court, the In presenting this resolution, he said : members of the Senate and House of Representatives, shall be held on the second day of June, one thousand eight hundred and sixty-six, at the places, and the Senate shall be elected in and from the same districts that they are now preecribed by law for councilmen districts. The members of the House of Representatives shall be elected in and from the districts that are now prescribed by law, for the members to the House of Representatives of the Territory of Neto-wit: Senators and Representatives shall hold their offices until the first Monday in January, A. D. 1867; Gov- tion ernor, Secretary of State, State Auditor Judges until the fires day of January, A. D. 1873.

day of July, A. D. 1866.

the State of Nebraska asks to be admitted into the Union on an equal footing legal test." with the original States on the condition and faith af the terms and propositions act specifed.

"Against the Constitution."

Congress.

Resolved by the Council and House of Representatives of the Territory of Nebraska, That the foregoing Constituthorized to be held at the time and in the manner specified in the seventh (7) sec-tion of the Schedule of said Constitution said section prescribed.

JAMES G. MEGATH. Speaker, House of Rrepresentatives. O. H. MASON, President of the Council. ALVIN SAUNEERS. Approved February, 9th 1866.

Sooner than we anticipated a breach has been made among the friends of the mean State, whenever it may be necess the Union at the head of our Government. On the 20th President Johnson sent it back to Congress with an able Orphans ! message setting forth his objections to its becoming a law. The friends of the measure immediately opened up their batteries of denunciation upon the President, and with appeals to passion and during a time of great excitement, atveto, and failed. And then Ben. Wade, of Ohio, denounced the President as a ficers of the Territorial government, trailor; and Thad Stevens of Pa., immediately introduced a resolution that no member should be received into Congress until Congress shall have declared such States entitled to Representation, thereby implying that the President was attempting to force on them Southern Representatives against the wish of

gation by the committee into the condition of Tennessee, to see whether they could admit the State to representation but, since yesterday, there had been such in the manner now prescribed by law for a state of things as had induced the comgeneral elections. The members of mittee to consider it wholly out of their every act and deed is pregnant with true ing the only officers now paid for by the I am most Respectfly Yours, power to proceed further without surren dering the rights of this body to the usurpation of another power."

Meaning, of course, the President This was passed by a large majority.

In order to see to what extent great men (?) in Congress can lose common States. sense in times of excitement, we quote from the "reconstruction" portion of the braska, and all the officers mentioned, President's Veto Message, which is the portion from which indications of usurpation are drawn by the above resolu-
