BROWNVILLE THURSDAY, MAY 3 '1866.

For Congress, T. M. MARQUETTE.

For Governor, DAVID BUTLER

For Secretary of State,

T. P. KENNARD.

For State Auditor, JOHN GILLESPIE.

For State Treasurer, AUGUSTUS KOUNTZ.

For Chief Justice,

OLIVER P. MASON. For Associate Justices, L. CROUNSE,

Union Party Platform

GEO. B. LAKE.

Resolved. That we, the delegates to this Convention, representing the Union Party of Nebraska, are in favor of

tend to promote the speedy settlement of the Territory, and to develop its material growth and prosperity.

Second-That it will place under the control of the people our School Lands, and thereby largely contribute to reduce Land Grants offered us by Congress. taxation for the support of our Common

School system. Third-That it will enable Nebraska to select the Public Lands which the General Government has proposed to grant to her for a State University, Agricultural College, State Buildings, and for the developement of our mineral resources, before all the valuable lands within Agricultura! College Scrp issued to other

Fourth-That the increased revenue which may be derived from the taxation of the property of fereign corporations,

State Government Resolved. That while we are in favor of mention, we do not regard the question of what it says of Andy : State organization as in any proper sense a party issue, but on the contrary, as a question to be decided by each individual citizen in accordance with his best judgement. Submitted as it was by the joint action of Republicans and Democrats, we regard it as purely a question of local policy, which every voter must deside for

antecedents or attachments. Resolved, That the party which has triumphantly sustained and vindicated the Government of the United States, and carried it safely through four years of civil and religious liberty owes it to itself. to its cherished principles and to humanity to secure liberty and equality before the law, to all men.

Resolved, That we hereby pledge ourport to the nominees of this Convention.

Colorado.

Colorado has passed the Rubicon! "and all the clouds that lowered upon our house" are faiding away like mist before the morning sun; never to be missed in sire the "softs" to remember !

vote of 27 mays to 7 ayes.

House, which it will doubtless do by a thus you may take sluggishness or ava- ter. I will also give instructions how to much larger majority than it received in erice for your guide.

the Senate. The House is chosen directly from the people, from States but heavy for State, and four of which grant auffrage to the colored man; can this body consistently rein the Union; and Nebraska also during this Session of Congress !

Union Convention.

Convention will meet again in this city, "naughty" "made a splendid run;" the upon any heretofore, or is likely to here. Statesmen. after. Some of these questions are as

1st. The election of two loyal Sens tors, for upon this mainly depends our admission. The fact should not and can not be disguised that unless our Constitution-containing, as it does, the word "white"-is presented by staunch, unwavering loyal men, our hope of admission is small, while with loyal Senators our admission is a fixed fact.

2J. Measures for the sale or lease of our School Lands. Upon the present disposition of this question depends the future educational prosperity of Nebraska. The endowment is a liberal one, Hon. J. S. Morton has the best of proff in yet its management must be judicious if his own pocket,) that the reason of the we would secure its full benefits. We opposition of leading men in our party to have heard but two methods mentioned: one, to sell all that could be sold at \$5 Democratic party has not the strength to and apply the interest to Public Schools; elect a majority of the State Legislature immediate State organization, for the the other to leave the lands, applying the at the June election. We know that far amount received for such lease to Public from really believing anything irregular First-That in our judgement, it will Schools, and thus leaving the principal in the plan of a Legislative made and in the land and the State reaping the benefit its increase in value.

3d. The appointment of commissioners to select just as soon as possible the 4th. To place in operation the twelve

Salt Springs donated by Congress. These among many other equally important questions make it very important to nominate a strong Legislative ticket. composed of men of sound judgment, will be capable of acting in all matters our limits stall have been absorbed by for the general good.
