Stallions seem to be very scarce article hereabouts, this season. Last season at least thirty were advertised in this county; this season, so far, but one. A fortune is waiting here for the owner of a fine, blooded animal, and our farmers are anxious to pay it over. Come right along!

A Superb selection of Toilet Articles at the Good Samaritan.

Bishop Clarkson's Visitation.—Bishop Clarkson, the new Bishop of Nebraska, will consecrate St. John's Church, Nemaha City, on Sunday, May 6th, to the worship of Almighty God, according to the Rites of the Protestant Episcopal Church; and will also administer the Apostolic Rite of Confirmation. On Monday evening following he will open, with appropriate services, the new Hall in this City.

A collection will be taken up at both places.

Fire and Tornado Insurance Co.—From the statement of the Fire and Tornado Insurance Company in another column, it will be seen that Geo. W. Hill & Co. are Agents for this county. We are now prepared to insure against Fire, Lightning or Tornado, in city or country. Our Company takes only safe risks, and therefore can insure at a very small per cent, defying competition in this respect, or in the prompt payment of its losses. As in the case of Mr. Cogdill, you will be burnt clean out, while but a few dollars for a policy in this Company will place you all right should such an accident happen.
