ELECTION NOTICE.

Notice is hereby given that there will an election held in the City of Brownilc. on Saturday, the 23d day of June. 63. for the election of Mayor to fill Brorder of the Council. J. B. JOHNSON.

City Clerk.

nsware of every description at J. L. McGEE & CO'S.

The Fourth of July, seems to be eceeded by all the greatest Anniverry known in America; all admit that verything" and the American Flag "is sely and the goose bangs high" in the S. of America; that the Goddess of herty is now enjoying the peaceful ontemplation of the latest fashions from aris, and the glorious American Eagle spreading his protecting wing over the enians (on board the Michigan) and or dusky brethren from Africa, both to nce, yet we see no disposition to cele rate! If ever there was a time in our shed. istory when the sluice-gates of Fourth July oritory should be thrown wide pen it is now! Every heart in the naon throbs with better life since the restablishment of the old Flag over a thole country; and shall Nemaha countake a back-seat during the general ubilee? Let our citizens step forward, and make some arrangements for a grand County Fourth of July Celebration. Our friends in the different sections of county will oblige us by letting us

PLOWS.

Have been Designed Especially

One man and four horses can do more Work, and do it better, with this plow, than two men with two disconnected plows.

These Flows have taken Five First Premiums at the Illinois State Fairs, and Four at Iowa State Fairs.

The Trench Plows are used for breaking Prairie or Medow land, with a Sod Plow in front, outting the sod in a thin slice, and turning it down into a deep farrow, and the rear plow raising the sub-soil to the surface, covers the sod completely, so that it is out of the way of after culture. We will promptly fill all orders for the above named plows at this place.

We are also propared to do Custom Work Wood and Iron, n onything pertaining to the

THE GANG, TRENCH,

to Meet the Wants of Farmers.

The following are some of the advantages these Plows have over others: 1st. They are so arranged that they canno rise out of the ground when striking a sod or hard lace, insuring thorough work.

2nd. They are the lightest drait of any Plow, either s ngje or double, secording to the report of the Committee of Trial of Implements, at Decatur, 11., Septemver, 1863. oy ten years old can manage them. 4th. They are more compact and and simple, therefore not so liable to get out of order.
