THIS MACHINE is constructed on entirely new principles of mechanism, possessing many rare and valuable improvements, having been examined by the most profound experts, and pronounced to be Simplicity and Perfection Combined. It has a straight needle, perpendicular action makes the LOCK or SHUTTLE STITCH, which will neither RIP or RAVEL, and is alike on both sides; performs perfect sewing on every description of material, from Leather to the finest Nansock Muslin, with cotton, linen or silk thraid, from the coarest to the finest number. Having neither CAM nor COG WHEEL, and the east possible friquion, it runs as smooth as glass,

Emphatically a Noiseless Machine.
It requires FIFTY PER CENT less power to drive it than any other Muchine in the murket. A girl twelve years of age can work it steadily, without fatigue or injury to health.
Its strength and Wonderful Simplicity of construction renders it almost impossible to get out of order, and is GUARANTEED by the company to give entire satisfaction. Werespectfully invite all those who may desire to supply thomselves with a superior a ticle, to
