made a decision which, in time, will garded as infamous as the Dred Scot decision, and as binding upon freedom nd as favoring to the leven of slavery still remaining in the South.

The case is that of Lambdin P. Milligan, arrested in Indiana by military, tried by Court Martial and condemned to be hung. The case was taken before the Supreme Court on a certificate of division of opinion between the Judges of the Circuit Court of the United States for the District of Indiana, upon the fol-
