GREENBACKS ARE GOOD!

BUT

RO BACK'S STOMACH BITTERS, after years of experience and trial, have proven to be the best remedy extant for all complaints where a tonic and stimulant are required. They never fail to strengthen the weak, impart vigor to the strong, and in all respects restore shattered and broken-down constitutions. No remedy has been received with as much favor as Roback's Stomach Bitters. In Chicago

OVER 50,000 bottles were sold by one drug-house in the past year. It is admitted by our most learned physicians that Dr. ROBACK'S STOMACH BITTERS combine the properties of a gentle laxative, an efficient anti-bilious

agent, and the best stomachic known to the world. ROBACK'S BITTERS should be used by convalescents to strengthen the prostration which always follows acute disease. In the

BILIOUS districts of the West and South there has, for a long time, been much needed an article of STOMACH BITTERS, which, if taken in proper quantities, and at the proper time, are a sure preventive of Bilious Fever,

Fever and Ague, Liver Complaint, Dyspepsia, Indigestion, Jaundice, Kidney Complaint, and all diseases of similar nature; and are better as a preventive for bilious derangement, regulating

AND strengthening the system, and giving tone to the digestive organs, than any other known remedy. Now that the war is over, there will be thousands seeking homes in the South. No person who values his life should go there

without having constantly at hand the BITTERS, as a safeguard against epidemic and malarious engendered by miasma and tainted water. Travelers and all residents of the rank river-bottoms

COUNTIES of the West and South, and the valley of the Mississippi and its tributaries, should provide themselves with the BITTERS. There is positively no one disease with which mankind are afflicted which is the source of so many

diseases as dyspepsia, or as it is more commonly called Sour Stomach, and there is no more certain remedy than Roback's Stomach Bitters. They are never known to fail.

KIND CHOLERA has always been much dreaded by the public, and people have resorted to all manner of medicines to arrest the progress, but with little success. A sure cure and preventive is to be found in the

use of Dr. ROBACK'S SCANDINAVIAN REMEDIES. Keep the bowels open with the Pills, and invigorate the system by free use of the Stomach Bitters, or, if the blood be thin, use the Purifier.

SUCH an invaluable remedy should be used in every family. Keep the system in full vigor and nothing is to be feared from cholera, or cholera, THE OLD RELIABLE. Do not be deceived by purchasing any of the quack nostrums

under the various names of Bitters. Purchase none other but Dr. ROBACK'S STOMACH BITTERS, which are compounds of the purest drugs, and in which the afflicted can rely.

THE SILVER SKIRT!

More Durable,

More Elastic,

More Graceful!

And will keep its Shape and retain its Place than any other Skirt.

This beautiful style of Skirt (Patented March 7 1865,) was awarded by the GREAT AMERICAN INSTITUTE FAIR, held in New York, October, 1865, a

SILVER MEDAL!

The Highest Premium ever given for a Hoop Skirt

The Steel Springs are wound with a fine plated, wire (in place of a cotton covering) which will not wear off or become soiled, and the whole Skirt may be washed without injury or fear of rusting, and will be as good as new.

The Combination Silver Skirt!

This invention combines with the ordinary cotton Skirt the advantages of our SILVER SKIRT: the bottom hoops are the same as those used in the Silver Skirt, the covering of which cannot wear off, while the upper ones are covered with cotton. No lady having worn one of our Skirts will be willing to wear any other, as the lower hoops of all other Skirts are soon injured and soiled.

The best materials are used in their construction and from their durability and neatness they are destined to become

SYMPTOM,

The symptoms of Catarrh are at first very slight. Persons feel they have a cold that they have frequently attacks, and are more sensitive to the changes of temperature; in this condition the nose may be dry or a slight discharge, then another cold, afterwards thick and offensive, may come.

Another common and important symptom of Catarrh is, that the person is subject to clearing the throat in the morning, which is caused by mucus that has fallen from the head during the night. When this takes place, the person may be sure that the disease is on its way to the lungs, and should lose no time in arresting it.

The above are but few of the many Catarrhal symptoms. Write to our Laboratory for our pamphlet (sent free), giving all symptoms as well as best mode of cure. Also directions where to procure the medicine.

We are receiving letters from all parts of the Union, and also from foreign countries, daily, testifying to the virtues of its intrinsic merits.

This remedy contains no Mineral or Poisonous Ingredients, but is prepared from vegetable extracts. Exclusively; therefore it is Perfectly Harmless, even to the most tender and delicate child.
