#### OUR CITY ELECTION.

Democracy Scooped-Bustedthe Unterrifled Terrifled .- The Roosier Vanquised, the Eagle Victorious .- A Mayor to Lett,-Are but few of the headings suggested by our complacent Republican friends to head the defeat of the Unterrified, Squaretoed, Copper top and bottom, Conservative Democracy, of this city, last Monday vet, the object defeated is so small and defeat so great, that we forbear to use them, but simply state that the following ticket-the straightout nominees of the Republican Convention-were elected by nearly a two-third majority :

Mayor, Jarvis S. Church, Council, Dr. C. F. Stewart, Theodore C. Hacker,

Cyrus W. Wheeler, John H. Morrison, Dr. John McPherson. Treasurer, W. H. Hoover, Clerk, Wm. H. McCreery,

Marshall, Benjamin Rogers, St. Com., Joshua Rogers, Assessor, R. V. Hughes, Engineer, T. R. Fisher. Auorney, J. N. Reynolds.

The Unterried have our pity in their worsted condition, yet the welfare of the city made it necessary to steal our hearts against this feeling, and work for Progress and Improvement, and against the Conservatism which that party ring into every department of life.

The new Officers will be installed next Mondey, and we predict a "forward movement" in the growth, prosperity and improvement of our city from that day
