HALL'S

Vegetable Sicilian Hair Renewer

Has stood the test of seven years before the public and no preparation for the hair has yet been discovered that will produce the same beneficial results. It is an entirely new scientific discovery, combining many of the most powerful restorative agents in the vegetable kingdom. It restores GRAY HAIR TO ITS ORIGINAL YOUTHFUL COLOR. It makes the scalp healthy and clean, cures dandruff and humors, and falling out of the hair, and will make it grow upon bald heads, except in very aged persons, as it furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft, and glossy, and is unsurpassed as a PREPARED FOR THE HAIR. It is the cheapest preparation ever offered to the public, as one bottle will accomplish more and last longer than three bottles of any other preparation. It is recommended and used by the First Medical Authority.

The wonderful results produced by our Sicilian Hair Renewer have induced many to manufacture preparations for the hair, under various names; and, in order to induce the trade and the public to purchase their competitors, they have resorted to falsehoods, by claiming they were former partners, or had some connection with our Mr. Hall, and their preparation were similar to ours. They will not be deceived by them. Purchase the original: it has never yet been equalled. Our Treatise on the Hair, containing a full description of the various diseases of the hair, and our private Revenue Stamp over the top of the bottle. All others are imitations.

PARKER'S

CORDIAL CONDITION

POWDER

Wolves tearing the throat. Myra Tamara

The very best medicine for use for HORSES, CATTLE, HUNDS & SHEEP.

This powder is prepared from the recipe of an old English farmer. It has been found by years of use throughout England by stock raisers, not alone for its curative, but also its fattening properties. For the following diseases, it will invariably be found a safe, certain and speedy cure:

Foetus of all kinds, Diarrhea, Founder, Coughs, Loss of Appetite, Hides Bound, Yellow Water, as also all diseases arising from a disordered Stomach, or an impure state of the Blood.

PARKER'S CORDIAL CONDITION POWDER.

As its name indicates, it is a gentle stimulant. Unlike the many articles sold throughout the country for the disease of the horse, this preparation is entirely of vegetable origin, no mineral enters into its composition. Its principal ingredients are aromatic herbs, root and bark, which when used in combination with the most delicate of oils, and its curative properties are increased. It cleanses the blood, gives to the skin a smooth, glossy appearance, removes all humors, and, by its stimulating and fattening properties, induces into the debilitated, broken down animal, the natural vigor, and restores to him all his natural grace and beauty.

Parker's Cordial Condition Powder.

The flow of milk is not only greatly increased, but the quality is improved, and the animal is found to be healthy, and free from all humors and impurities of the blood, at all times.

Prepared by the late Dr. J. C. Collins, of St. Louis, Mo.
