The Ladies of the First Presbyterian Church of this city will give a Festival at the Star Hotel, next Thursday evening June 20th.

The management of this Festival is in able hands, determined to leave nothing undone to make the entertainment both pleasant and profitable to all who attend.

Brownville City Street Improvement Bonds taken in exchange for Lands or City Property.

A Good Investment for all—B. B. Thompson of this City, is now selling Patent Lamp Burners which dispense entirely with chimney.

June is undoubtedly the best month to pack butter, and Swan & Bro. have just received a lot of fine Butter Jars with lids.

Meats—Beef, Mutton, Pork, Hams, Shoulders, Sides, Dry Beef, Lard, Tallow, etc., can always be had at the "Red Store."

Gloss Starch, the greatest and cheapest and only labor saving discovery in ironing fine linens for sale at Marsh & Co's and Swan & Bro's.

With the rolling tide up—in the style of Rainey & Lewis. Lots of new and choice Goods on hand and more constantly coming.

F. A. Tisdell & Co.—This firm is in constant receipt of Farm Implements of all kinds and calibers, Reapers, Mowers, Cultivators, and everything a farmer may need.

"Them Sellers" at the "Red Store" are increasing their stock of Groceries and groceries constantly. They buy low and give their customers the full benefit of the market.

Linsced Oil and White Lead.—Holladay & Co., are selling these articles cheaper than any house this side of St. Louis. Don't like our word for it, but go and be convinced yourself.

The Beech residence, on Water between 5th and 6th streets, is nearly enclosed, and adds wonderfully to the appearance of that portion of our city.

Mrs. Smith is preparing to erect a residence on Atlantic street. The workmen have commenced operations on McPherson's block and it will now be pushed forward to completion.

Attention, Farmers!—The highest market price paid for Wheat, Corn, Oats, Barley, Wool and Bacon.

Flour, Meal, Potatoes, Crackers of all kinds, Ginger Snaps, and many other articles in the "Red Store."

Accidents.—Last Tuesday Mr. Alexander while loading a horse named the colt, where it had been in, fell in dragging the horse in and his right leg broken below the knee.

New Business House.—Mr. Blake's new business house is under way, and a few weeks the northeast corner of Main and 9d will be well defined by a good store room.

Court House.—Work on the Court House will be resumed next week to cease only with its completion. This country ought by this time to have a Court House worth \$25,000.

Notice to Sugar Cane Growers.—John C. Deuser has for sale the best Cane Mills or Extractors now manufactured. All farmers in west of the article this season are respectfully requested to leave their orders as soon as possible to enable him to get a good supply on hand before sorghum making commences.

Kavanaugh & Decker's Cigar-Billboard Tables.—Even Worthing of this city, Agent for the above tables received two large size tables last week, and yesterday sold one of them to Wash Wiley of Rockport.

Lively.—With the several grading parties at work cutting down the hills; immigrant trains crossing here daily; forty homesteads were taken last week; five or six dwellings and four large business houses in process of erection, business is constantly increasing.
