KAVANAGH & DECKER'S

BILLIARD TABLES

THE MOST RELIABLE CUSHION used on Billiard Tables is the

CAT-GUT CUSHION,

Manufactured by KAVANAGH & DECKER, and Patented Dec. 18, 1866. (See Dciencific American Vol. 16, No. 11.)

It is the only Cushion that possesses all the qualities essential to a PERFECT Cushion. It is the most elastic and most durable Cushion ever offered to the billiard-playing public, as is abundantly proven by the great demand for it since its introduction. The peculiarity which distinguishes the CAT GUT Cushion and renders it superior to all others, is the tightened cord of cat-gut, which overlies the face and edge of the rubber and running the full length of the Cushion, which prevents the ball from bedding into the rubber and jumping from the table. The addition of the cat-gut cord also adds much to the elasticity of the Cushions.

The CAT-GUT Cushion has already been applied to over 1,000 tables which are in constant use. It can be applied to tables of any make, for seventy-five dollars per set.

KAVANAGH & DECKER'S Factory, at the corner of Centre and Canal Streets, N. Y., is the most complete of its kind in the world. The machinery is of the most improved character, the lumber drying room the largest in the United States, the material use the best that can be purchased, and the workmen thoroughly skilled.

Billiard Cloth, Balls, Cues, and Trimmings, all of the best make, constantly on hand.

KAVANAGH & DECKER are the only agents in this country for KAY'S CUSHION CEMENT, adjudged by competent authorities to be the best cement ever used.

LATEST FASHIONS DEMAND.

J. W. Bradley's celebrated Patent

DUPLEX ELLIPTIC

(OR DOUBLE SPRING)

SKIRT.

The Wonderful Flexibility and great Comfort and Pleasure of any Lady wearing the Duplex Elliptic Skirt will be experienced particularly in all crowded Assemblies, Operas, Carriages, Railroad Cars, Church Pews, Arm Chairs, for Promenade and House Dress, as the Skirt can be folded when in use to occupy a small place as easily and conveniently as a Silk or Muslin Dress. The double quality in crinoline, not found in any Single Spring Skirt.

A Lady having entered the pleasure, comfort, and great convenience of wearing the Duplex Elliptic Steel spring skirt, for a single day, will never allow any one willingly dispense with their use. For Children, Misses and Young Ladies they are superior to all others. They will not bend or break like the Single Spring, but will preserve their perfect and graceful shape where three or four ordinary Skirts will have been thrown aside as useless. The Hoops are covered with double and twisted thread, and the bottom rods are not only double springs, but extra (or double) covered; preventing them from wearing out when dragging down steps, stairs, &c.

The Duplex Elliptic is a great favorite with all the ladies, and is universally recommended by all the Fashionable Magazines as the standard skirt of the Fashionable World.

To enjoy the following inestimable advantages in Crinoline, viz.: superior quality, perfect measurement, stylish shape and finish, durability, flexibility, comfort and economy, enquire for J. W. Bradley's Duplex Elliptic or Double Spring Skirt, and be sure you get the genuine article.

CAUTION.—To guard against imposition be particular to notice that skirts offered as "DUPLEX" have the red ink stamp, viz., "J. W. Bradley's Duplex Elliptic Steel Skirt-Springs," upon the waistband—the others are counterfeit. Also notice that every hoop will admit a pin being passed through its centre, thus revealing the two (or double) springs braided together throughout, which is the secret of their being light and strength, and a combination not to be found in any other skirt.

For sale in all first class retail Dry Goods stores throughout the United States and elsewhere.
