The American Organs, are the only real reed Organs now before the public. The only Organ having a

Reverberating Sound Box, or Wind Chest.

Which has the same important part to perform as the Sounding Board has in the Piano-Forte, (to give body and resonance of tone) and without which the Organ becomes merely a Melodeon in an Organ case.

The American Organs not only have the wind chest or sound box, but have the large Organ bellows, giving power and great roundness of tone.—These with their other fine voicing of the reeds and perfecting of the tone, make them the

Most Perfect Organ Known.

The improvements, with superiority of tone and workmanship, place the American Organs in the first rank as the best, and they command a higher price than any other reed instrument in the market

THE MOST RELIABLE CUSHION used on Billiard Tables is the

CAT-GUT CUSHION,

Manufactured by KAVANAGH & DECKER, and Patented Dec. 13, 1866. (See Scientific American Vol. 16, No. 14)

It is the only Cushion that possesses all the qualities essential to a PERFECT Cushion. It is the most elastic and at the same time durable Cushion ever offered to the billiard-playing public, as it is abundantly proven by the great demand for it since its introduction. The necessary which distinguishes the CAT GUT Cushion and renders it superior to all others, is the tightened cord of catgut which overlies the face and edge of the rubber and running the full length of the Cushion, which prevents the ball from bedding into the rubber and jumping from the table. The addition of the catgut cord also adds much to the elasticity of the Cushion.

The CAT-GUT Cushion has already been applied to over 1,000 tables which are in constant use. It can be applied to tables of any make, for seventy five dollars per set.

KAVANAGH & DECKER'S Factory, at the corner of Centre and Canal Streets, N. Y., is the most complete of its kind in the world. The machinery is of the most improved description, the interior driving Room to be found in the United States, the material use the best. Cues not to be perverted, and the work men thoroughly skilled.

Billiard Cloth, Balls, Cues, and Trimmings, all of the best in the Cornerstone or brand.

KAVANAGH & DECKER are the only agents in this country for RAY'S CUE CEMENT adjudged by competent authorities to be the best cement for cues made
