State Fairs, and the judgement of every one who sees and uses it, unite in pronouncing Brinkerhooff's Corn Sheller the best ever invented. With it a man can shell his crop of corn at his leisure without an assistant, and thereby save in a short time more than the

ost of a Sheller This Corn Sheller has taken the first premium for tree years past at the New York State Fair, when partially perfected. It has since been brought to degree of perfection, which makes it complete. The following is the report of the Judges on this machine, at the great trial of agricultural Implements pices of the New York State Agricultural Society : Among the machines on exhibition was a Hand Corn Sheller, Separator and Cleanev, exhibited by J. Brinkerhoff, Auburn, N. Y. We have carefully examined and thoroughly tested this machine, and have no hesi tation in pronouncing it the BEST CORN SHELL ER WE EVER SAW. It readily adapts itself to ears of any size or shape, shells clean, and with great rapidit and ease, and the same operation separates the corn from the cob, and the chaff from the corn, and delivers the corn ready for market; and it requires but the la
