W. FURNAS.

Brownville, Dec. 12th, 1867 .- 11-3m A DDRESS TO THE NERVOUS AND DEBILITATbidden causes, and whose cases require prompt treating or have suffered from involuntary d scharges, what thick, milky, or flocky, or is it ropy on setting? Or does a thick scum rise to the top? Or is a sediment at the bottom after it has stood awhile? Do you have pells of short breathing or dyspep in? Are your bowels constipated? Do you have spells of fainting r rushes of blood to the head? Is your memery imspeject? Do you feel dull, listless, moping, tired of company, or life? Do you wish to be left alone, to get away from everybody? Does any little thing make you start or jump? Is your sleep broken or restless? egrees below zero, whisky froze.

January. 1857.—C. G. Dorsey opened

your check as bright? Do you pursue your ceit in society as we.1? Do you pursue your business with the same energy? Do you feel as much confidence in yourbeif? Are your spirits dull and flagging, given to fits of melancholy? If so, do not lay it to your liver or dyspersia. Have you restless nights? Your back weak your knees weak, and have but little apetite, and you attribute this to dyspe, sia or liver complaint? Now, reader, self-abute, venerial diseases bauly cured, and sexual excesses, are all capable of producing a weakness of the generative organs. The organs of generation, when in perfect health, make the man. Did you ever think that those bold, defiant, energetic, persevering, successful business men are always those whose generative organs are in perfect heatih? You never near such men complain of being melancholly, of nervousness, of paipitation of the heart. They are never af aid they cannot succeed in business; they don't become sad and discouraged 4 they are always polite and pleasant in the congany or ladies, and look you and them right in the face-none of your downcast looks or any other meanness about them

I do not mean those who keep the organs inflamed by unning to excess. These will not only ruin their constitutions, but also those they do business withor How many men from badly cured diseases, from the effects of self-abuse and excess, have brough about that state of weakness in those organs that has reduced the general system so much as to induce almost every other disease-idiocy, lanacy, paralysis, spinal affections, spicide, and almost every other form of disease which humanity is heir to, and the real cause of the trouble scarcely ever suspected, and have dectored for all but the right one. Diseases of these organs require the use of a divret-ic. HELMBOLD'S FLUID EXTRAC" BUCHU is ie great Diuretic, and is a certain cure for diseases of
