NOTICES. SPECIAL A DDRESS TO THE NERVOUS AND DEBILITAT-ed whose sufferings have been protracted from bidden causes, and whose cases require prompt treatment to render existence desirable. If you are suffering or have suffered from involuntary discharges. what 17 effect does it produce upon your general health? Do you feel weak, debilitated, easily tired? Does alittle extra exertion produce palpitation of the heart? Does your liver, or urinary organs, or your kidneys fre-2 00 quantly get out of order ? Is your urine sometimes 1 20 thick, milky, or flocky, or is it ropy on setting? Or does a thick scum rise to the top? Or is a sediment at the bottom after it has stood awhile? Do you have spells of short breathing or dyspepsia? Are your bowels constipated ? Do you have spells of fainting or rushes of blood to the head? Is your memory impaired 2 Is your mind constantly dwelling spon this subject? Do you feel dull, listless, moping, tired of company, or life? Do you wish to be left alone, to get 2 50 away from everybody? Does any little thing make 2 25 you start or jump ? Is your sleep broken or restless ? 2 50 Is the instread your eye as brilliant? The bloom on 25 your cheek as bright? Do you enjoy yourself in socie-15 ty as well Do you pursue your business with the 2 25 same energy? Do you feel as much confidence in your-20 self? Are your spirits dull and flagging, given to fits of melancholy? If so, do not lay it to your liver or 80 dyspersia. Have you restless nights? Your back weak your knees weak, and have but little apetite, and you attribute this to dyspepsia or liver complaint? Now, reader, self-abuse, venerial diseases baoly cured, and sexual excesses, are all capable of produc-2 00 ing a weakness of the generative organs. The organs 15 of generation, when in perfect health, make the man. Did you ever think that those bold, deflant, energetic 10 4 persevering, successful business men are always those 4 whose generative organs are in perfect heatth? You 15 never near such men complain of being melancholly, of nervousness, of palpitation of the heart. They are

Oak 45 00 50 00 never afraid they cannot succeed in business ; they polite and pleasant in the company of ladies, and look you and them right in the face-none of your downcast looks or any other meanness about them. I do not mean those who keep the organs inflamed by ranning to excess. These will not only ruin their 9 00 constitutions, but also those they do business with or 6 00 for.

How many men from badly cured diseases, from 15 the effects of self-abuse and excess, have brought about that state of weakness in those organs that has educed the general system so much as to induce almost every other disease-idiocy, lanacy, paralysis, spinal affections, suicide, and a most every other form disease which humanity is heir to, and the real ause of the trouble scarcely ever suspected, and have actored for all but the right one.

Diseases of these organs require the use of a dinret-HELMBOLD'S FLUID EXTRACT BUCHU is the great Diuretic, and is a certain cure for diseases of the Bladder, Kidneys, Gravel, Dropsy, Organic Weakness, Female Complaints, General Debility, and all iseases of the Urinary Organs, whether existing in Male or semale, from whatever cause originating and o matter of how long standing.
