NOTICES SPECIAL

A DDRESS TO THE NERVOUS AND DESILITAThidden causes, and whose cases require prompt treatment to render existence desirable. If you are suffering or have suffered from in soluntary discharges, what effect does it produce upon your general health? Do you feel weak, debilitated, easily tired? Does alittle your liver, or urinary organs, or your kidneys, frequantly get out of order ? Is your urine sometimes thick, milky, or flocky, or is it ropy on setting? Or does a thick scum rise to the top? Or is a sediment at the bottom after it has stood awhile? Do you have spells of short breathing or dyspepsis? Are your bowels constipated? Do you have spells of fainting or rushes of blood to the head? Is your memory im-Moved, that the Marshal be instructed to procure paired? Is your mind constantly dwelling spon this dask for the use of the city, at a cost not exceed. subject? Do you feel duit, listless, moping, tired of company, or life? Do you wish to be left alone, to get away from everybody? Does any little thing make you start or jump? Is your sleep broken or restloss? Is the lustre of your eye as brilliant? The bloom on . your check as bright? Do you enjoy yourself in socie-The Mayor appointed Messrs. McGee, Carson and ty as well? Do you pursue your business with the same energy? Do you feel as much couldence in your self? Are your spirits dull and flagging, given to fits of melanchoiv? If so, do not lay it to your liver or dyspersia. Have you restiess nights? Your back weak your Ences weak,? and have but little apetite, and you stiribute this to dyspepsia or liver complaint? Now, reader, self-abute, veperial discases bunly mred, and sexual excesses, are all capable of produc ing a weakness of the generative organs. The organs of generation, when in perfect health, make the man Did you ever think that those bold, defiant, energetic, persevoring, successful business men are always those whose generalive organs are in perfect heatth ? You never atraid they cannot succeed in business ; they don't become sad and discouraged ; they are always

polite and pleasant in the company of ladies, and look you and them right in the face-none of your downcast looks or any other meanness about them. I do not mean these who keep the organs inflamed by running to excess. These will not only ruin their onstitut ons, but also these they do business with or How many men from badly cured diseases, from

the effects of self-abuse and excess, have brought about that state of weakness in these organs that has reduced the general system so much as to induce al most every other disease-idiocy, lunacy, paralysis, spinal affections, snicide, and a most every other form disease which humanity is heir to, and the reals use of the trouble scarcely ever suspected, and have loctored for all but the night one.

Diseases of these organs require the use of a disret-. HELMBOLD'S FLUID EXTRACT BUCHU is the great Diuretic, and is a certain cure for diseases of the Bladder, Eidneys, Gravel, Dropsy, Organic Weakness, Female Complaints, General Debility, and all liseases of the Urinary Organs, whether existing in Male or cemale, from whatever cause originating and

no matter of how long standing. If no treatment is submitted to, Consumption or Insanity may cusue. Our flesh and blood are supported from these sources, and the bealth and happiness, and

that of Posterity, depends upon the prompt use of a reliable femedy. Helmbold's Extract Buchn, established upward of
