

For President in 1868. ULYSSES S. GRANT. For Vice-President. SCHUYLER COLFAX.

REPUBLICAN STATE TICKET.

For President Electors. For Secretary of State. For Treasurer of State. For Governor.

The Hon. O. B. Hewett, Hon. S. M. Rich and J. C. McNaughton, will address the Republican Club of St. Deron on Thursday evening, the 22d inst.

The Nebraska City Press comes out in a new dress, which is noticed evidence of its prosperity. We noticed some weeks since that Col. Irish was expecting a Taylor power press.

The Journal of this week says that Horatio Seymour was "selected for President," and "Frank P. Blair unanimously chosen for Vice President."

We have received Nos. 1 & 2 of the Pawnee Tribune, an ably edited seven column weekly paper, published at Pawnee City, Pawnee County, Nebraska, and edited by T. R. Fisher.

Dr. Holladay's Brownville Democrat was duly issued and has been received. The Dr. very readily takes on the Democratic harness and snags the whip of reform at all radicals.

Gen. Grant says in his letter of acceptance, "Let us have peace." Frank Blair says in his bid for the Presidency, that the coming President must reverse the action of a Radical Congress by the strong arm of the military power.

Gen. Grant represents the law and order party and favors the suppression of rebellions. Gov. Seymour addresses Irish mobs as his friends and collaborators, saying nothing about the issues as set forth in the two party platforms.

Peru Grant and Colfax Club. The Republicans of Peru met on Saturday, July 11th, and organized a campaign club. The following officers were elected:

Wm. S. Horn, President; Henry Roberts, Secretary; J. P. Burdick, Treasurer. Col. Furnas and DeForest Porter, of Brownville, were present and addressed the club in a general review of the platforms of the two parties.

The Hon. A. F. Harvey has revived the Nebraska Statesman, which "went dead" some eighteen months ago, and now publishes it at the Capitol of the State. The Statesman, although Democratic in politics, is "intended as a newspaper, more for the people than the politician."

Geo. Vandewater, of St. Deron, called upon us last week. George is a wide awake, energetic, and intelligent Republican, than whom there is none in the Southern portion of our County, more influential. He represents the banner precinct of the county. Democracy has a precarious existence in the Republican atmosphere surrounding St. Deron, not on account of the fact of its being a split party.

The State Teachers' Association, of Nebraska, meets at Nebraska City on the 28th of this month. COUNCIL BLUFFS, IOWA, July 10, 1868. J. M. McKENZIE, Esq.—Dear Sir: Your favor of the 2d inst. came duly to hand.

Democratic Platform.

We print elsewhere the resolutions of the New York Convention, many of which we approve. The first resolution demands the immediate restoration of all States to their rights in the Union.

2nd. Amnesty for past political offenses is only a question of time, and that States shall regulate the franchise of their own citizens, seems to be the doctrine of both the Republican and the Democratic party.

3rd. The Democracy want the public debt paid as rapidly as practicable. Who does not? If the Democracy think it "practicable" to pay off the public debt immediately, in greenbacks, why did they not say so? In such a case issue might be made up.

4th. The Democracy, though, perhaps, unintentionally, pay a high tribute to the republican statesmen, for preventing such thefts as Floyd committed under a democratic Administration; for the economy exercised in administering the government; for the great reduction of the army and navy, and for equal taxation, &c.

5th. This is a direct thrust at Andrew Johnson for his "abuses in administration." Surely "republicans are ungrateful." 8th. Republicans are again commended for affording equal rights and protection to all, whether native born or naturalized at home and abroad.

9th. The Democracy, though, perhaps, unintentionally, pay a high tribute to the republican statesmen, for preventing such thefts as Floyd committed under a democratic Administration; for the economy exercised in administering the government; for the great reduction of the army and navy, and for equal taxation, &c.

10th. This is a direct thrust at Andrew Johnson for his "abuses in administration." Surely "republicans are ungrateful." 8th. Republicans are again commended for affording equal rights and protection to all, whether native born or naturalized at home and abroad.

11th. The Democracy, though, perhaps, unintentionally, pay a high tribute to the republican statesmen, for preventing such thefts as Floyd committed under a democratic Administration; for the economy exercised in administering the government; for the great reduction of the army and navy, and for equal taxation, &c.

12th. This is a direct thrust at Andrew Johnson for his "abuses in administration." Surely "republicans are ungrateful." 8th. Republicans are again commended for affording equal rights and protection to all, whether native born or naturalized at home and abroad.

13th. The Democracy, though, perhaps, unintentionally, pay a high tribute to the republican statesmen, for preventing such thefts as Floyd committed under a democratic Administration; for the economy exercised in administering the government; for the great reduction of the army and navy, and for equal taxation, &c.

14th. This is a direct thrust at Andrew Johnson for his "abuses in administration." Surely "republicans are ungrateful." 8th. Republicans are again commended for affording equal rights and protection to all, whether native born or naturalized at home and abroad.

15th. The Democracy, though, perhaps, unintentionally, pay a high tribute to the republican statesmen, for preventing such thefts as Floyd committed under a democratic Administration; for the economy exercised in administering the government; for the great reduction of the army and navy, and for equal taxation, &c.

16th. This is a direct thrust at Andrew Johnson for his "abuses in administration." Surely "republicans are ungrateful." 8th. Republicans are again commended for affording equal rights and protection to all, whether native born or naturalized at home and abroad.

17th. The Democracy, though, perhaps, unintentionally, pay a high tribute to the republican statesmen, for preventing such thefts as Floyd committed under a democratic Administration; for the economy exercised in administering the government; for the great reduction of the army and navy, and for equal taxation, &c.

18th. This is a direct thrust at Andrew Johnson for his "abuses in administration." Surely "republicans are ungrateful." 8th. Republicans are again commended for affording equal rights and protection to all, whether native born or naturalized at home and abroad.

19th. The Democracy, though, perhaps, unintentionally, pay a high tribute to the republican statesmen, for preventing such thefts as Floyd committed under a democratic Administration; for the economy exercised in administering the government; for the great reduction of the army and navy, and for equal taxation, &c.

20th. This is a direct thrust at Andrew Johnson for his "abuses in administration." Surely "republicans are ungrateful." 8th. Republicans are again commended for affording equal rights and protection to all, whether native born or naturalized at home and abroad.

Removal of Land Offices.

The following, which we clip from the Nebraska Statesman Extra of the 14th sufficiently explains itself: DEPT. IN. GEN. LAND OFFICE, Washington, July 6th, '68.

Very respectfully, JOS. S. WILSON, Commissioner.

Our Trip to Tecumseh.

We, Dora, of the Brownville Brass Band, and as the only representative of the Advertiser, left Brownville in the Band wagon in company with fourteen others, under the guidance of that Prince of the Rein and four spankings—Johnny Rogers—at about 3 o'clock p. m., July 3d, and were soon speeding over the road to Tecumseh at the rate of six miles an hour.

At about 9 o'clock in the evening we had finished our thirty miles, and were driving into Tecumseh playing one of our National airs, and were received by the wide-awake citizens with shouts, booming guns, and snapping crackers. We were soon commended for affording equal rights and protection to all, whether native born or naturalized at home and abroad.

Very respectfully, JOS. S. WILSON, Commissioner.

Land Entries.

The following table exhibits the number of acres of public land entered at the Land Office in this, the Nemaha Land District, during the month of June:

Table with 2 columns: Description of land entry, and Acres. Total: 2,453 90

Greatful, Very.

The New York Democratic Convention "gratefully remembers" the Soldiers who "carried the flag of our country to victory against a most galling and determined foe."

A Letter from Gen. F. Blair.

New York, July 2.—Ex-Postmaster General Blair has a letter written by General F. P. Blair to Colonel James A. Broadhead, in which he leaves the question of presenting his (Blair's) resignation to the President to the choice of the latter.

The Normal School Exercises.

Our reporter was in attendance at the closing exercises of the State Normal School at Peru, on the 8th inst. and while we learn that the exercises were very interesting, and quite an improvement upon that of last Spring.

Is It True?

The Omaha Herald, in noticing the unparalleled emigration that yearly reaches our shores, very truthfully remarks that—"These men come over to us because ours is a government of the people, and for the benefit of the people; and because no other government can so well protect the rights of the people."

National Democratic Platform.

The Democratic Party, in National Convention assembled, recognizing and trusting in the intelligence, patriotism and discriminating justice of the people, standing upon the Constitution as the foundation and limitation of the powers of the Government and the guarantee of the liberties of the citizens, and recognizing the questions of slavery and secession as having been settled for all time to come by the voluntary action of the Southern States, in Constitutional Conventions assembled, and never to be renewed.

Internal Revenue Tax Notice.

NOTICE IS HEREBY GIVEN that there will be held a public sale, to be held on the 15th day of August, 1868, at 10 o'clock, a. m., of the public lands of the State of Nebraska, in the following sections, to-wit: Sec. 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100.

Speech of Hon. H. Clay Dean.

We publish the great speech of Mr. Clay Dean, this evening, in which he shows that the fact that he ruled over the country for the past eight years has committed more wrong and crime, and done more mischief, than any power in modern history.

Very respectfully, JOS. S. WILSON, Commissioner.

Removal of Land Offices.

TELEGRAPHIC.

WASHINGTON, July 14.—Mr. Everts has been confirmed Attorney General. Chief Justice Chase's platform as presented to the New York Convention, and upon which he would accept the nomination, was:

1st. Both wisdom and duty require that the application of this principle be left to the people of each State, without interference of the National Government.

2nd. Both wisdom and duty require that the application of this principle be left to the people of each State, without interference of the National Government.

3rd. Both wisdom and duty require that the application of this principle be left to the people of each State, without interference of the National Government.

4th. Both wisdom and duty require that the application of this principle be left to the people of each State, without interference of the National Government.

5th. Both wisdom and duty require that the application of this principle be left to the people of each State, without interference of the National Government.

6th. Both wisdom and duty require that the application of this principle be left to the people of each State, without interference of the National Government.

7th. Both wisdom and duty require that the application of this principle be left to the people of each State, without interference of the National Government.

8th. Both wisdom and duty require that the application of this principle be left to the people of each State, without interference of the National Government.

9th. Both wisdom and duty require that the application of this principle be left to the people of each State, without interference of the National Government.

10th. Both wisdom and duty require that the application of this principle be left to the people of each State, without interference of the National Government.

11th. Both wisdom and duty require that the application of this principle be left to the people of each State, without interference of the National Government.

12th. Both wisdom and duty require that the application of this principle be left to the people of each State, without interference of the National Government.
