

Agricultural Department.

From the Capitol. LINCOLN, NEB., Jan. 21, 1899. It is quite a task to write "from the Capitol" an Agricultural letter.

After transacting the regular business of the Board, all were invited to participate in any and all subjects pertaining to Agriculture. First, the subject of Forest and Fruit Tree planting was discussed.

The discussion as to tree planting, showed that the people throughout the State are wide awake on that subject. Forest trees by the million are being planted in every portion of Nebraska.

Mr. Black, Hightstown, New Jersey, is a dealer in small fruits and reliable dealer. His peach trees enjoy a world-wide reputation.
