THE AMERICAN SHUTTLE SEWING MACHINE Is retalled at a price within the reach of all. This Machine uses a straight needle, makes the Lock Stitch (alike on both sides), has a self adjusting ten-sion, and can do every variety of sewing. It will hem, fell, bind, cord, braid, scam, quilt, tuck, ruffle and gather; will work equally well on silk, linen, woolen or cotton goods, with silk, linen or cotton thread.

AMERICAN SHUTTLE SewingMachine Warranted for Five Years Our agents will be supplied with duplicate parts of the Machine, in case of accident. It makes precisely the same stitch made by the Singer, Wheeler & Wilson. Howe and Florence Machines. It has the underfeed, like the best of high priced machines, and is the only low priced shattle machine in the market that has this feed. We are enabled to sell a first class Shuttle Machine at a very low price, on account of its simplicity, and consequent low cost of manufacturing, in comparison with complicated machines.
