For Doors and Sash, go to Bell & Small's. More Milk Customers Wanted by B. B. Thompson, Brownville Dairyman.

Good Building Stone. We are prepared to furnish building stone in any quantity. Also, Step Stones, Base for Monuments or Tomb Stones, Water Tables, etc.

Dr. Bickford, who has been stopping in our city for a few days, has gone to Nebraska City to open rooms for the treatment of disease with the Squirrels, where all who are afflicted by the ordinary means of medication will find him.

Hedge Plants. We would call the attention of our readers to J. P. Miller's advertisement of Hedge Plants in our paper. He has on hand yet one hundred thousand plants.

Home of Johnson, of the firm of F. E. Johnson & Co., has furnished a quantity of Prints, Maps, etc., unequalled and of the latest patterns; and their groceries are choice. All of which they are selling at very low figures for cash.

Washington Squires and—Steal a stage driver, falling to work their way into Sheridan Lodge, for want of the proper password and signs, undertook to make night hideous by disturbance outside. They were arrested, and tried before Squire Higgins, and fined thirty dollars each and costs.

New Firm.—M. F. Holtzinger has associated in business with himself James Emmerson of this city, and the firm will hereafter be known as Emmerson & Holtzinger.

Having sold out my meat shop, I would request all persons owing me to call and settle immediately, so I may square up my books.

I am now prepared to make contracts for and do all kinds of Stone Mason Work, on short notice and reasonable terms. Advertised for the summer same as usual.

The attention of our readers is called to the advertisement of fact's Dyspepsia Cure in this paper. This truly valuable medicine is recommended by all who use it. Read the certificate.

Cole's Patent Stalk Cutter, which has taken the premium at all the fairs where exhibited, is the most complete machine of the kind now in use.

The Canton Clipper Plow is one of the most perfect Plows now made. The steel is tempered to admit of the keener edge, and hardened by a new scientific process that ensures its securing in the most difficult soil. No attempt at imitation or competition has yet been able to produce anything equal to the genuine standard Canton Clipper Plow.

Wait Until—Robert, of the firm of Teare & Co., is going east next week, and desires the public, if they want anything new, to call on a little longer, as he will carry such a stock as he knows will please every body. He can do it for far less than the wants of the community better than Robert, and he will select every piece of goods with a view to the interests of his customers.

Parlin's Walking Cultivator for 1892, is the most valuable, among the best of the kind, and is known to be higher than any other, and for light draft and steady motion it is unequalled.

Having Purchased Mills in the District of Columbia, with one Million Feet Dry Pine Lumber on hand, it has compelled me to give larger grounds for my lumber yard. Therefore I have relocated the corner of First and Water streets, where I shall put one of the largest stocks of Lumber, Doors, Blinds, Sash, etc., west of the Mississippi. All every body know, or shall know, that the Saginaw Lumber is far superior to any other Lumber.

Call and see me before purchasing elsewhere. (One block from River.) BELL, LOWELL & SMALL, Retail Store.

Here is something to charm, amuse, and instruct the boys and girls—a new number of an old and entertaining friend, Demore's Young America for March, 1892.

The Rev. Geo. C. Alexander, of Nebraska City, delivered his lecture on the Philosophy of Masonry last evening, in McPherson's Hall, to a crowded house. He will return to this city on the 25th, and will lecture on the same law. We hope to see the hall again crowded. Mr. Alexander is one of the best speakers in the west, and what is more, he always has new ideas at his command.
