DR. WHITTIER, REGULAR GRADUATE OF A MEDICINE, as diploma at Office will show, has been longer engaged in the treatment of Veneneau, Sexual and Private Diseases than any other physician in St. Lonis.

Syphilis, Gonorrhe, Gleet, Stricture, Orchittis, Hernia, and Rupture; all urinary Diseases and Syphilitie or Mercurial Afflictions of Throat, Skin or Bones, are treated with unparallelled success. Skin or Bones, are treated with unparallelled success.

Spermatorrhea, Sexual Debbillty and Impotency, as the result of kelf abuse in youth, sexual excess in maturer years, or other causes, and which produce some of the following effects, as Nocturnal Emissiens, blotches, debility, dissiness, dimness of sight, confusion of ideas, evil forebodings, aversion to society of females, less of memory and sexual pewer, and rendering marriage improper, are permanently cured.

The Doctor's opportunities in hespital and private practice are unsurpassed in St. Louis or any other city. Back files of St. Louis papers prove that he has been located here longer than any other so advertising. The establishment, library, laboratory and appointments, are unrivalled in the west, unsurpassed anywhere. Age, with experience, can be relied upon, and the doctor can refer to many physicians throughout the country. In past success and present position he stands without a competitor.

The obvious rea tried it, know that it cared them; those who have not, know that it cores their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect of its composition. We have thousands upon thousands of certificates of their romar make curves of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates; containing neither calomel or any deleterious drug. they may be taken with safety by maybody. Their sugar conting preserves them ever fresh and makes them pleasant to take, while belog purely vegetable no harm can arise from their use in any quantity. They operate by their powerful influence on the laternal viscent to purify the blood and stimulate is into healthy action—remove the obstructions of the stomach, liowers, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of discuse.

Minute directions are given in the wrapper on the box, for the following complaints, which these Pills rapidly cure:—
For Byspousin or Indigestion, Listlessmess, Languor and Loss of Apperite, they
should be taken moderately to stimulate the stomaction and restors its ficality tone and action. For Edver Complaint and its various symp-toms, Bilious Headache, Sick Renduche,

Janudice or Green Sickness, Millions Colic and Millions Fevers, they should be in dicionaly taken for each case, to correct the disease action or remove the obstructions which cause it. For Bysentery or Blarrhesa, but one mild dost is generally required.

For Bheumatism, Gont, Gravel, Paint-tation of the Heart, Pain in the Side, Buck and Loins, they should be continuously taken, as required, to change the diseased action of the system. With such change these complaints disappear. For Dropsy and Propsical Swellings they should be taken in hage and frequent doses in produce the effect of a drastic purse.

For Suppression a large dose should be taken as it produces the desired effect by sympathy.

As a Diamer Pill, taken one or two Pills to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and rels into healthy action, restores the appet and invigurates the system. Hence it is often ad-vantageous where no serious decanguages exists.
