journment of the meeting should be to reassemble in the Presbyterian Church, on the Present-Mayor Fairbrother; Aldermen Tisdel, evening of Monday, June 14th, at which time Mathews, Hobinson and Grant. Absent-Swan, the committee on constitution will report. Mr. Tisdel offered the following:

A vote of thanks to Mr. Lemon was given, "Resolved, That the City Engineer is hereby r "Accorded, That the City Engineer is hereby re-quired to proceed immediately to establish the grade on Water sizee, with the view of making said street concave, and not to be less than fifteen inches lower in the centre of said street than the outside of the sidewalks said street, (which sidewalks shall be twelve feet in width on each side;). Provided, That said grade and estimate is only to extend on said Water street from the west side of Second street to the Missouri river." and after singing and prayer the meeting adtourned to time and place previously specified, on which occasion it is hoped that, as the movement is entirely public, all who feel ISAAC BLACK, Ch'n.

The following proposition was submitted to th Fish-by the Barrel or Kit-at Swan & Council:

"I propose to do whatever work on Water stre between the west side Second atreet and the Mis River, the City Council decide to have done, n Testimonial to Dr. J. Blake-Having heis direction, and take Street Improvement Bond or the same—the work, after it is done, shall be es imated by them, and the amount made shall be a John Blake, recently located in this city, we in their judgment it is worth. JOHN McPHERSON.

> Which, on motion, was accepted. Adjourned. J. C. McNAUGITTON, Clerk.
