OUR SCHOOL AND ITS PRINCIPAL.

BY A SCHOLAR.

As some persons seem to be dissatisfied with the manner in which our school has been conducted during the past year, and are raising objections to Mr. Moore as a teacher, and as I have attended the school under his administration, and know something about its condition; the manner in which it has been conducted, and the qualifications of the teacher. I feel called upon to give the citizens of Brownville a few of what I know to be the *facts* in the case.

Some appear to be of the opinion that Mr. Moore's qualifications as a teacher are not such as to justify the Board of Directors in employing him longer; and that what they call his eastern notions and ideas of school government are not applicable to schools in Nebraska. They seem to think, also, that the scholars have not advanced as rapidly as they should have done.

Now, I attended the school some three or four months, and am very certain that the persons who have raised such objections as these against Mr. Moore as a teacher, have seldom or never visited the school, and consequently do not know from personal observation one thing about either its past or present condition. They can not tell whether the school is progressing or not, because they never go to see. They stay at home and find fault with the teacher without knowing anything about the condition of the school. I do not see upon what grounds they formed this notion, that the schol
